The programme started with the Welcome Speech from the Programme Co-ordinator **Mr. R.Vijay Krishna**, Entrepreneurship Promotion & Incubation Center Incharge, NRIIT which was followed by inaugural address by **Dr.C.Naga Bhaskar**, Principal, NRIIT. The Keynote Address was delivered by Chief Guest **Dr. R.Venkata Rao**, Chairman, NRIIT. The technical sessions of the programme were conducted by resource persons; **Dr. R. Madhavi**, **Dr. T. Sree Latha**, **Dr. N.V. Surendra Babu** and **Dr. R. Sunitha** who covered their respective sessions on various aspects in relation to the focus areas of the programme.

About National Commission for Women

The National Commission for Women was set up as statutory body in January 1992 under the National Commission for Women Act, 1990 (Act No. 20 of 1990 of Govt. of India) to: review the Constitutional and Legal safeguards for women; recommend remedial legislative measures; facilitate redressal of grievances and advise Government on all policy matters affecting women.

In keeping with its mandate, the Commission initiated various steps to improve the status of women and worked for their economic empowerment during the year under report. The Commission completed its visits to all the States/UTs except Lakshdweep and prepared Gender Profiles to assess the status of women and their empowerment. It received a large number of complaints and acted suo-moto in several cases to provide speedy justice. It took up the issue of child marriage, sponsored legal awareness programmes, Parivarik Mahila Lok Adalats and reviewed laws such as Dowry Prohibition Act, 1961, PNDT Act 1994, Indian Penal Code 1860 and the National Commission for Women Act, 1990 to make them more stringent and effective. It organized workshops/consultations, constituted expert committees on economic empowerment of women, conducted workshops / seminars for gender awareness and took up publicity campaign against female foeticide, violence against women etc. in order to generate awareness in the society against these social evils.

Digital Literacy and Effective Use of Social Media focus to generate awareness among women on safe usage of internet and social media platforms in raising awareness about cyber-crimes among women for preventing and handling cyber-crimes.

Course content:

1. Personal Capacity Building
 2. Professional -Career Skills
 3. Digital Literacy & Effective use of social media
- Total time duration: 4.5 Hours (1.5 hours per session)

Technical Session 1: Personal Capacity Building

Dr R. Madhavi Assoc. Prof. English, Ch.S.D.St Theresa's College for Women, Eluru led the first technical session on "Personal Capacity Building". The objective of the session was to make learners engage in effective communication by respecting diversity and embracing good listening skills. The course made special focus on practicing interpersonal skills for better relations with seniors, juniors, peers and stakeholders. The session also focused on

understanding the importance of documentation of key critical ideas/thoughts articulated and action points to be implemented.

The session aims at training students to strengthen their skills ineffective communication, personal excellence and sustainable development in order to thrive in a fast-changing world and dynamic workplace requirements.

The 1st module on Listening and Brainstorming comprises of aspects such as the relevance and aspects of active listening in the work place and academic world. The key features of active listening and the factors that make or mar good listening were discussed. Furthermore, the role played by listening in creation of ideas in brainstorming were brought out. The key aspects of brainstorming for ideation to advance careers are highlighted.

In the 2nd unit Time Management and Stress Management the relevance of Time Management in today's result driven world was brought out. The strategies to manage time are highlighted. The session also delved into the impact, factors and types of stress. It also highlighted the ways to overcome stress.

The 3rd Unit on Internal Communication and Group Discussion explained about the role played by Internal Communication in an organisation. The session-oriented students on the process of how messages can be delivered through formal and informal communication in the work place. The process, direction and forms of internal communication are discussed. Furthermore, the importance of group discussions and the strategies to participate in a good Group Discussion were touched upon.

Technical Session 2: Professional -Career Skills

The second technical session addressed professional career skills and was presented by **Dr. Sree Latha Tangirala**, Associate Professor & Head-Training, in Training & Placement Cell, NRIIT began with Identifying Career Opportunities and Resume Skills, and **Dr.N.V.Surendra Babu**, Director- Training and Placements, NRIIT finished with interview Skills and Presentation Skills

Dr. Sree Latha Tangirala aimed at the final year and pre-final girl students to assist them learn the skills necessary for their professional and career aspects. Focus was laid more on imparting ways to grab the best career opportunities and plan for laying a clear career path basing on their respective educational qualification and other skills. Special emphasis was on women aspirants who hope for a better professional life. The efficacy of the presentation was enhanced by involving the participants actively in enthusiastic interaction and making the session highly informative and useful.

The presentation dealt with the details of choosing suitable career path; finding out different avenues for identifying relevant job opportunities; matching one's qualification, skills and other interests: drafting an impressive resume comprising the purpose, methods, key components, difference between a resume and curriculum vitae, lexis and style, tone and standard of writing etc. It further dealt with the need of a cover letter; the do's and don'ts of preparing a suitably convincing resume and other relevant information.

Finally, the outcome of the presentation enabled the students identify a suitable professional line to approach, prepare a well-defined resume including all necessary components and make best use of the opportunity to plan their future sensibly.

Dr.N.V.Surendra Babu guided the participants on how to write an appropriate resume, fill in the necessary gaps during interviews, and effectively communicate their skill set during his session. As per his recommendations, a good resume should contain the following features: Skills-focused, easy to read and understand, visually compelling without gimmicks, One page or no more than two pages in length and also emphasized that one's interview skills give an interviewer insight into how you will communicate in the workplace and solve problems. It also shows if you can actively listen and be honest in your work. All these factors tell your

potential employers how well you will fit in their work environment. Presentation skills can be defined as a set of abilities that enable an individual to: interact with the audience; transmit the messages with clarity; engage the audience in the presentation; and interpret and understand the mindsets of the listeners. These skills refine the way you put forward your messages and enhance your persuasive powers.

The present era places great emphasis on good presentation skills. This is because they play an important role in convincing the clients and customers. Internally, management with good presentation skills is better able to communicate the mission and vision of the organization to the employees.

Technical Session 3: Digital Literacy & Effective use of social media

The third technical session discussed "Digital Literacy and Effective Use of Social Media" by **Dr. Sunitha Ravi**, Women Protection and Grievance Cell Incharge, NRIIT.

During the presentation, the resource person highlighted on social networking as one of the most popular online activities, allowing us to communicate, share information, photographs, and videos with anyone around the world and illustrate the potential negative implications of social media, including cyber blackmailing, cyber stalking, bullying, fake profiles, morphing, and indecent representation of women.

As part of the presentation, Dr. Sunitha Ravi also shared short videos showing how social media is used to trigger young individuals to take their own lives, as well as how people can quickly repost a feed on social media with a different message. The students were therefore encouraged to be cautious and to always read the terms and conditions before accepting, to be alerted if someone attempts to access their account, and many more tips to help them stay safe. During this session, the female students learned how to effectively use social media by becoming cyberaware.

Finally, students are taught how to create social media profiles and safeguard them from hackers. Details on how to safeguard passwords and adjust privacy settings are provided in great depth.

Conclusion

The CBPD programme was very informative and interesting as it encompassed of both lectures and technical inputs that was found to be very helpful for the student participants. The contents of the programme in the different sessions covered a broad perspective that has helped the participants gain knowledge and make effective use of the inputs to enhance their skills for personal development, career and professional development, and wisely use digital media. Apart from the academic achievements, capacitating these skills to students is of core importance to meet the demands of the present day as they serve as supplement and catalyst to the academic achievement of the students for their personal and professional development, which would contribute to both individual and social growth and progress. With the emerging trend of excessive use of digital media in the present era, technological knowhow and soft skills are one of those important attributes for human resource development. Perhaps similar programmes should always be promoted in every academic session so that students do not only take away academic certificates with them but also sets of skills that would empower them in the long run.

JNTU Kakinada, Kakinada -533 003**

About the Program

In the age of the screen and the increasing exposure of young children and adults to the online world, exposure to cybercrime has also increased significantly. The need to inform and educate users, especially children, about lurking cyber threats and proper cyber hygiene is of tremendous importance.

Unfortunately, many women fall victim to cybercrime. According to a recent study, more women than men are using the internet to enrich their relationships.

According to a recent study, more women than men are using the internet to enrich their relationships. The growing reach of the internet and the rapid spread of information via mobile devices have opened up new opportunities that could put some women at risk, so it's important to be aware of the dangers.

**Organized by
Directorate of Empowerment of
Women & Grievance
(DEoWG)**

In Association with

**Digital Monitoring Cell (DMC)
JNTU Kakinada, Kakinada -533 003**

About the Program

In the age of the screen and the increasing exposure of young children and adults to the online world, exposure to cybercrime has also increased significantly. The need to inform and educate users, especially children, about lurking cyber threats and proper cyber hygiene is of tremendous importance.

Unfortunately, many women fall victim to cybercrime. According to a recent study, more women than men are using the internet to enrich their relationships.

According to a recent study, more women than men are using the internet to enrich their relationships. The growing reach of the internet and the rapid spread of information via mobile devices have opened up new opportunities that could put some women at risk, so it's important to be aware of the dangers.

As part of *kaAmrit Mahotsav*, JNTUK-Directorate of Empowerment of Women & Grievance, in collaboration with JNTUK-Digital Monitoring Cell is organizing a Women's Cyber Security Awareness Program for JNTU Kakinada-Constituent and Affiliated Colleges.

Topics to be Covered

1. **Challenges & threats in the Cyber World:**
Risks of the internet. Types of Threats: Financial threats, Personal threats and Security Threats.
2. **Cyber Crimes and Cyber Ethics:**
Ransomware attacks, Identity theft/Impersonation, financial fraud, Cyber Extortion and steps to follow to maintain Cyber hygiene.
3. **Online Women Safety (OWS):** Steps to secure OWS, securing yourself online.
4. **Preventive Measures and Reporting Mechanisms:** Steps to enhance protection against cyber evils and where to report them.

RESOURCE PERSON

Dr. A.S.N. Chakravarthy
Professor of CSE &
Special Officer SDC, WDC and DMC
JNTUK, Kakinada.

OUTCOMES

- Increased awareness of Cybersecurity topics/issues amongst the Women Faculty members and Girl Students.

India has been ranked as the country in the world for women according to a survey carried out by the Thomson Reuters Foundation.

Ironically, according to a study in 2014, the reported sexual violence rate in India is among the lowest in the world.

63% of Indian men believe that women deserve to be beaten up and should tolerate violence to keep the family together.

At least 27.5 million women have been victims of physical violence and verbal abuse.

According to International Men and Gender Equality Survey, 70% of Indian men had committed sexual violence at some point during their lives.

Reportedly, women have admitted to having destructive thoughts about ending their lives.

According to a study by the National Centre for Biotechnology Information, 70% of women in India are correlated with physical and psychological intimate partner violence.

According to the National Crime Records Bureau of India, a crime against a woman is committed every 1333 minutes.

SHE is the "HERO" ...!!

(A Self-defence initiative by Andhra Pradesh Judo Association)

- Not always a super hero comes to the rescue of your girl child, but the little legs learn how to save herself or we can call it a "super girl".
- Biggest myth of life "it won't happen to me or our child". What if it does? will she would be able to survive.
- Here is the answer for these typical situations. Its **SELF-DEFENCE**.
- What is Self-defence?
It means "de-escalation" of potential violence. We can definitely reduce the intensity of potential violence using multiple strategies to keep yourself safe from physical, emotional and mental harm to some degree.
- We would like to conduct full-time self-defence programme and self-defence Workshops around the State of Andhra Pradesh from school level.
- You don't need to be a black belt in martial arts to train in self-defence.
- This kind of awareness is definitely required for a girl child in a country which is topping the list of countries in potential violence against women.
- Our prime motto is help the society as well as the future generations for a safer and stronger environment around our mother, wife, daughters and sisters. So let's just be the change.

Sir/Madam,

Sub: Andhra Pradesh Women's Commission, Guntur — Request to organize meeting with Women Study Centre/Women Empowerment Centres of all colleges to know the ongoing programmes and discuss future course of action to empower women — Reg.

It is to inform that Andhra Pradesh State Commission for Women, since its inception, has been organizing 'Awareness Programmes' to women/girls on legal issues, social issues through colleges and Universities.

Women Study Centres/Women Empowerment Centres in colleges are also organizing seminars/work-shops/meetings on different social issues hindering women development and empowerment.

By observing the incidents happening now-a-days in print and electronic media, it is felt that the younger generation is to be trained and also equip them with adequate knowledge to cope with the changing situations.

Hence, It is requested to organize a meeting with Women Study Centres/Women Empowerment Centres functioning in Colleges in consultation with the Chairperson of A.P. Women's Commission so as to conduct the programme for the said purpose.

Thanking you, expecting early response,

ప్రియ నేస్తమా!

ఎందరో సంఘ సంస్కర్తల కృషితో మారుతున్న సమాజంతో పాటు మహిళల పరిస్థితుల్లో అనూహ్య మార్పులు చోటుచేసుకుంటున్నాయి. విద్య, ఉద్యోగాలు, ఉపాధిలో మహిళల సంఖ్య పెరిగింది. ఆర్థిక, రాజకీయ, సాంస్కృతిక రంగాల్లో తమ ప్రతిభా పాటవాలను ప్రదర్శిస్తున్నారు. అయితే ఇది నాణానికి ఒక వైపు మాత్రమే.

ఈనాటికీ సమాజంలో మహిళ ద్వితీయ శ్రేణి పౌరురాలిగానే పరిగణింపబడుతోంది. స్త్రీని ఒక విలాస వస్తువుగా బలహీనురాలిగా చూస్తున్నారు. ఆ కోణంలోనే మహిళలు, బాలికలపై రకరకాల రూపాలలో హింసా ఘటనలు చోట చేసుకుంటున్నాయి. దీని వలన మహిళల అభివృద్ధి కుంటుబడుతోంది.

ఈ నేపథ్యంలో యువతులలో ఆత్మస్థైర్యాన్ని, చొరవను, శక్తి సామర్థ్యాలను పెంచడం అవసరం. వారి ప్రతిభను గుర్తించాలి. ప్రోత్సహించాలి. నాయకత్వ లక్షణాలను వికసించవేయాలి. అందుకే “తరుణీ తరంగాలు”. యువతులలో నూతన ఆలోచనలను రేకెత్తించటానికి, మానసిక, శారీరక ఆరోగ్యానికి, అన్నింటా ముందుండే చొరవను పెంపొందించడానికి సంకల్పించింది. సమస్యలు వచ్చినప్పుడు ధైర్యంగా నిలబడటం, నిర్ణయాలు తీసుకోవడం, అందరితో కలిసి పనిచేయడం అలవాటు కావాలి. ఆత్మవిశ్వాసంతో అడుగు వెయ్యాలి.

ఆటలు, పాటలు, కళలు సృజనశీలతను ఉత్సాహాన్నిస్తాయి. మానవ సంబంధాలను మెరుగు పరుస్తాయి. నూతన సంస్కృతికి బాటలు వేస్తాయి. ఇటువంటి లక్ష్యాల సాధనకు విభిన్న రంగాలలో, సంస్థలలో ఉన్న వారందరం కలిసి మహిళా సాంస్కృతిక సంబరాలను ఫిబ్రవరి 12, 13 తేదీలలో నిర్వహించుకుందాం. విజయవాడ, సి.ఆర్.డి.ఏ పరిధిలో ఉన్న కళాశాలల విద్యార్థినులకు ఆహ్వానం పలుకుతున్నాం. ఆయా రంగాలలో ఉన్న మహిళలందరూ భాగస్వాములు కావాలని కోరుతున్నాం. ఆదరించండి! జయప్రదంచేయండి!!
