Hereinafter referred to jointly as the "Parties" and individually as a "Party" to this MOU.

WHEREAS

NRI Institute of Technology Vijayawada stands out as an institute of academic excellence by imparting technical, intellectual, and professional skills to the students, offers a distinguishing blend of premium graduate, undergraduate and research programs.

Movate is a global Information Technology, Consulting and Digital Solutions company that provides IT and business consulting, application support and maintenance, development, systems integration, and managed services to its customers.

The College is desirous of placing its students in Movate through campus placement.

Movate is desirous of identifying and nurturing suitable talent from the College who will be considered for placement to Movate after graduation.

This MOU is intended to be legally binding between the Parties and is enforceable in accordance with the applicable laws and regulations.

Accordingly, the Parties have decided to reduce into writing their mutual representations and understanding as stated hereunder:

NOW THIS MOU WITNESSETH AS FOLLOWS:

Objective:

The over-all objective of this MOU is to ensure:

1. Students of the College who meet the eligibility criteria of Movate are trained on the latest cutting-edge technology of interest for Movate .
 2. Placement opportunities for the students in Movate upon successful completion of training as per defined threshold.
 3. Faculty development through structured "Train the Trainer Program" and "Certification" by Movate Subject Matter Experts.
 4. Trained and ready to deploy talent availability for Movate .
 5. Curriculum Integration and industry relevant academic curriculum.
 6. Movate representatives to be in Board of Studies of College to guide and mentor the students in developing talent and make them industry ready.
 7. Provide opportunities to students to be groomed and mentored by industry experts
 8. Curriculum Integration and design certificate programs for the students.
 9. Launch credit courses for the students to gain experience in the latest technology domain.
1. The Parties on this day have executed this MOU to establish a partnership with an intention to enhance the capability of the students selected for Movate from the College through guidance on industry requisite courses, focus training for the pre-selected students through the College faculty that will be trained by Movate and other industry academia collaboration between the Parties subject to the following **Terms and Conditions:**
- a. The college can choose to partner with Movate on the specific technology domain specified as per Annexure 4
 - b. The Program Sponsors for the agreed programs shall be the Head of Training & Placement Department from the College and Head Campus and Institutional Alliance from Movate .
 - c. The 4th year students of NRI Institute of Technology course who are to be trained shall be pre-selected by Movate (hereinafter referred to as the "Pre-selected Students") as per Movate's selection process and a Letter of Intent (LOI) will be given to the Pre-selected Students which will specify the conditions to be complied with to join the organization.
 - d. The pre-selection of students is primarily for the Graduate Engineer Trainee (GET) category.
 - e. Top performing students from the training program who qualify may be selected into Movate roles, subject to the policies of Movate . Movate will have the final call based on the individual performance of the students in this regard. All final selections for offer will be subject to selection in the final Movate recruitment process.
 - f. Movate will provide the College with training curriculum, connect with Movate's training partners for learning contents and assessments, industry-academia exposure, and support events to uplift the capability of the Pre-selected Students. The College shall use the materials, procure at its own cost necessary software and program manage these efforts under the guidance of designated representative of Movate and exclusively for the purpose specified under this MOU.
 - g. The College shall nominate two or three faculty members per domain for undergoing the Trainer Certification Program by Movate . The objective of this program is to train the College faculty on specific modules as per the program chosen and equip them to manage the training completion by students, support in conducting assessments and act as a key member in supporting the overall program delivery in the College. Upon successful completion of the training the faculty would be

- certified by Movate and will be allowed to train certain number of students as agreed upon in writing by Movate and the College from time to time.
- h. The College shall, at its own cost and expenses, establish a Center of Excellence (CoE) under the guidance of Movate with the specified infrastructure requirements of Movate and shall use the CoE for imparting the CoE specific course/training. This CoE shall be exclusive to the use of the purpose stated under this MOU and will not be used for running or the courses of the College or other organizations. Kindly refer Annexure 2 for the hardware and software requirement for the CoE.
 - i. Refer **Annexure-1: Campus Connect Collaboration Plan** is a list of recommended programs by Movate which aims to make the Pre-selected Students industry ready. Movate recommended programs will be implemented for the Pre-selected Students.
 - j. The Pre-selected Students in their 7th Semester, will have to complete the Foundation course consisting of both soft skills and technical Skills. On successful completion of the course, they will undergo a specialized training identified by Movate for the College and obtain their certification in their 8th Semester.
 - k. The College shall not charge the Pre-selected Students any fee for this course. If it is found that the College has charged fees for this program from students, Movate shall have the rights to terminate this MOU and/or pursue other remedies available under the law, against the College.
 - l. The College shall not train any students other than the Movate Pre-selected Students using the know-how and resources made available by Movate and its partners under this Agreement. The College shall ensure and commit that all Pre-selected Students undergoing the programs under this MOU, do not sit through the campus selection process of any other company. Any of the Pre-selected Students who is not made an offer by Movate in the final selection is free to apply to any other company.
 - m. Movate would do an initial screening process and shortlist students for the CoE program. The shortlisted students, would be given a conditional offer letter (Letter of Intent-LOI), confirming their selection into the program.
 - n. Movate shall have the discretion to make full time employment offers to any of the Pre-selected Students upon successful selection in Movate's recruitment process, subject to completion of their graduation. Movate shall not be under obligation under this MOU to recruit any fixed number of Pre-selected Students.
 - o. The program involves substantial efforts and investment and continuous engagement from Movate with the intent to develop and hire substantial number of students from the College. The College shall therefore take all necessary steps to ensure that at least 90% of the pre-selected Students join Movate after successful completion of the training. A drop in the joining percentage below the expected level will seriously jeopardize Movate's interests and may be a material reason to not continue the engagement in the following years.
2. This MoU is subject to the College earmarking a minimum of 15 students/program for placement in Movate exclusively and the College meeting the qualification and past performance criteria defined by Movate (Ranking in either of the following: NIRF, Career 360, NBA & NAAC(A)). The shortlisted students to the program(s) should not be made available for placement opportunities with other organizations that might come up in the college campus later.
 3. The MOU shall be valid for three (3) years from the date of execution. Movate shall have the right to terminate this MOU for convenience and in the event of breach of material obligations including confidentiality obligations by the College by giving a notice of fifteen (15) days, provided that the breach is not remedied by the College within such period.
 4. The Parties herein have agreed to perform various obligations for the purpose outlined in the MOU and there is no monetary obligation/consideration involved herein between the Parties. The College shall bear all expenses towards providing infrastructure, network and internet access, other facilities required for

the education and training and such other expenses incurred in performing its obligations under this MOU.

5. The Parties shall take reasonable steps to ensure the successful performance of the obligations agreed including setting-up of a Joint Governing Council consisting of the Dean and Heads of Departments of the College and Subject Matter Experts and a Program Director from Movate both to monitor/audit the Program on a quarterly basis and co-operate with each other to duly performing the obligations agreed upon.
6. Under no circumstances, shall the Parties be treated as the vendor, employee, contractor, representative and agent of the other. This MOU does not create any other legal relationship of employer/employee, partnership, or joint venture between the Parties herein, other than the relationship contemplated by this MOU. The College do not have any right to obligate or bind Movate in any manner nor the College have the right to act as an agent or representative of Movate .
7. Any information or documentation received by the College during the term of this MOU shall be deemed as "Confidential Information" under this MOU. The Confidential Information includes, but is not limited to, any information, course material, plans, discussions, strategies or any material provided by Movate or its partners to the College, and Movate 's technology including discoveries, inventions, research and development efforts, manufacturing processes, hardware/ software (regardless of media) design and maintenance tools and hardware/software product know-how, which may be disclosed by Movate to the College during the subsistence of this MOU. Confidential Information shall also include any information marked "Confidential" or "Proprietary" but does not include any information already in the public domain or such information which was obtained from a third party. The College shall not disclose, reproduce, and use any Confidential Information for any purpose except solely in connection with the performance of this MOU. Upon expiration or termination of this MOU, the College shall cease using all such Confidential Information and it shall either destroy or return all copies of such Confidential Information, in whatever form. The College and any of its personnel/ students/ faculty shall not disclose the Confidential Information during the term of this MOU and thereafter.

The Parties shall not make unauthorized use of the trade name, trademark, copyright, patent, symbol, licenses, or designation belonging to the other party without prior approval and permission. In the event, the College or any of its personnel/ students/ faculty breach its confidentiality obligations or infringe the intellectual property of Movate , Movate shall have the right to pursue appropriate remedies available at law and shall be entitled to equitable relief. In addition, the College shall indemnify, defend, and hold harmless Movate , from and against all claims and all losses, liabilities, obligations, damages, expenses and costs (including without limitation reasonable legal fees) brought against or suffered by Movate or any of its respective officers, directors, employees, partners or agents, resulting from, arising out of or relating to breach of confidentiality obligations, applicable laws and regulations and infringement of intellectual property.

8. Movate shall provide requisite publicity material such as handouts, information brochures and posters, if applicable to the College. Upon expiration, termination of this MOU or when requested by Movate , the College shall cease using all such material and documents and it shall immediately return all copies of the documents, in whatever form to Movate .
9. Neither of the Parties shall use the name of the other Party in any advertisement nor make any public announcement without the prior written approval of the other Party.
10. Movate may have similar collaborations with other institutions and this MOU is not exclusive.
11. The College may have similar collaborations with other companies so long as Movate 's interests are not compromised, confidentiality of the knowhow and processes are maintained, the Pre-selected Students alone are put through Movate training curriculum and made available exclusively to Movate for its recruitment process.
12. The College shall take all necessary steps to safeguard the interest of Movate by avoiding any conflict of

interest with other competing companies. Prior approvals need to be taken from Movate for any event involving the Pre-selected Students or the Movate CoE.

13. Except as expressly stated in this MOU, there shall be no obligation on either of the Parties to compensate the other in any manner or any claim. However, the terms and the conditions in this MOU shall be kept confidential.
14. The Parties agree that no party shall be held liable for any act or omission of the other party under this MOU.
15. The Parties represent that they have the full power and authority to enter this MOU in general and none of the objects stipulated herein are against public policy.
16. The Parties shall designate their respective /representatives who shall be the primary point of contact on behalf of that party as below:

**A MEMORANDUM OF UNDERSTANDING ON “ACADEMIC
COLLABORATION”**

BETWEEN

PRIYADARSHINI INSTITUTE OF TECHNOLOGY AND SCIENCE

CHINTALAPUDI, TENALI, A.P.

AND

NRI INSTITUTE OF TECHNOLOGY, VIJAYAWADA, ANDHRA PRADESH

This MOU is entered into on the day of **10th NOVEMBER, 2022** between PRIYADARSHINI INSTITUTE OF TECHNOLOGY AND SCIENCE (hereinafter called PITS), affiliated to Jawaharlal Nehru Technological University, Kakinada and NRI Institute of Technology (Autonomous) situated at Pothavarappadu, Vijayawada an Engineering college (hereinafter called NRI) affiliated to Jawaharlal Nehru Technological University, Kakinada. In the interest of establishing a relationship of mutual benefit to both organizations, Priyadarshini Institute of Technology & Science, Chintalapudi (PITS) and (NRIIT) have agreed to the areas of collaboration on academic and research related activities as mentioned in this MOU.

1. Objectives:

1.1. To contribute further to the regional understanding between faculty and staff of PITS and NRIIT for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.

1.2. To strengthen collaboration between PITS and NRIIT through academic programs in instruction, research and faculty development among the faculty and students of both parties.

2. Scope

The Scope of collaboration on academic and research activities in this Memorandum of

Understanding includes the following categories:

1. Developing research projects jointly and avail funding

2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
9. Promoting such other activities/programs as mutually agreed from time to time

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. PITS and NRIIT will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MOU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MOU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MoU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MOU will be made by mutual consent and any amendment or extension to the MOU will be formalized by the exchange of letters and or emails between the two organizations.

5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Coordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given here under.

6. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MOU, the same shall be resolved amicably by both the organizations. This MOU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

**A MEMORANDUM OF UNDERSTANDING ON “ACADEMIC
COLLABORATION”**

BETWEEN

RAJAMAHENDRI INSTITUTE OF ENGINEERING AND TECHNOLOGY
Bhoopalapatnam, Pidimgoyya, Rajamahendravaram, Andhra Pradesh

AND

NRI INSTITUTE OF TECHNOLOGY

Vijayawada, Andhra Pradesh

This MOU is entered into on the day of 20th OCTOBER, 2022 between **RAJAMAHENDRI INSTITUTE OF ENGINEERING AND TECHNOLOGY** Bhoopalapatnam, Pidimgoyya, Rajamahendravaram (hereinafter called RIET) affiliated to Jawaharlal Nehru Technological University, Kakinada and **NRI INSTITUTE OF TECHNOLOGY** (Autonomous) situated at Pothavarappadu, Vijayawada an Engineering college (hereinafter called NRI), affiliated to Jawaharlal Nehru Technological University, Kakinada. The aforesaid institutions are hereinafter referred to individually as institute and collectively as institutes. Rajamahendri Institute of Engineering and Technology popularly known as “RIET” was established in the year 2008 near Pidimgoyyi in Rajahmundry by “The Swarnandhra Educational Society” pioneered by Technocrats, Academicians and Philanthropists with a concrete plan to offer excellence in technical education and to meet the present as well as the changing needs of the corporate sector. The college is located in a peaceful and lush green environment away from the din and bustle of the crowded city life which is free from pollution and congenial to attain technical knowledge. The nearest air port is at Madhurapudi which is 15 kms away from the college and the nearest Railway station is at Rajahmundry which is 8 kms away from the college. The college is well connected by National highway 16 to all parts of the district as well as the state. The college is affiliated to JNTUK Kakinada and approved by AICTE, New Delhi and Government of Andhra Pradesh. The college was started in the year 2008 and has completed fourteen years of successful functioning in the areas of Teaching, Learning, Evaluation, Research, Career planning, Training and Placement and is now in its fourteenth year of its existence. The college is making rapid strides in the field of technical education and

has emerged as a reputed institute in the Jawaharlal Nehru Technological University, Kakinada, Andhra Pradesh region. The institution always tries to look ahead in pursuit of excellence. All the management members of the college believe in adapting to the changes in advanced technologies. They continuously develop the infrastructural and instructional facilities of the institution for better performance in Engineering & Technology programmes.

(RIET) and (NRIIT) have agreed to the areas of collaboration on academic and research related activities as mentioned in this MOU.

1. Objectives:

1.1. To contribute further to the regional understanding between faculty and staff of RIET and NRIIT for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.

1.2. To strengthen collaboration between RIET and NRIIT through academic programs in instruction, research and faculty development among the faculty and students of both parties.

2. Scope

The Scope of collaboration on academic and research activities in this Memorandum of

Understanding includes the following categories:

1. Developing research projects jointly and avail funding
2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
9. Promoting such other activities/programs as mutually agreed from time to time.

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. RIET and NRIIT will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the

organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MOU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MOU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MoU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MOU will be made by mutual consent and any amendment or extension to the MOU will be formalized by the exchange of letters and or emails between the two organizations.

5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Coordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given here under.

6. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MOU, the same shall be resolved amicably by both the organizations. This MOU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

This MoU is renewed on the day of 12th July 2022 between NRI Institute of Technology (Autonomous) situated at Pothavarappadu, Vijayawada (herein after called NRI) and KSRM COLLEGE OF ENGINEERING (herein after called KSRMCE), an Engineering college affiliated to Jawaharlal Nehru Technological University, Ananthapuramu.

The above said institutions are herein after referred to individually as institute and collectively as institutes.

Sri Durga Malleswara Educational Society was established in 2007 with the objective of reaching the zenith in the field of education. NRI College of Pharmacy, started in 2007 and NRI Institute of Technology, started in 2008 are the result of such sincere and dedicated efforts and stern determination of the founders of the society. NRI Institute of Technology is

an AICTE approved Institution affiliated to the JNTUK which functions as a private self-financing institution to cater to the needs of juvenile aspirants in and around Vijayawada. The promoters of NRIIT started the college with a vision to empower the students with vibrant technology, sensitively matured and innovative to face the challenges of real time global experiences. The founders are socially conscious and continuously responding to the needs and requirements of the region, to uplift the region and to promote educational facilities by establishing schools, to promote games and sports activities in the region, help the poor and improve their health standards by organizing free medical camps etc., Since the day of inception, NRIIT has been growing at a credible but steady pace for an educational institution of its kind. Both NRIIT and NRI College of Pharmacy have been taking a place of pride every year JNTUK results are announced. NRI College of Pharmacy had recently added a feather to the crown of the Society by successfully placing its first out going batch of dynamic young pharmacists in various esteemed Organizations. Is an Autonomous Institution with good discipline as well as Result oriented with NAAC-A Grade, JNTU Kakinada - Permanent affiliation and ISO Certified Institution.

And

The KSRMCE owes its existence to the keen interest of Late Kandula Obul Reddy to develop technical education in Rayalaseema region of Andhra Pradesh. It is in the year 1980 that K.S.R.M. **A MEMORANDUM OF UNDERSTANDING ON “ACADEMIC
COLLABORATION”**

BETWEEN

**BAPATLA WOMEN’S ENGINEERING COLLEGE
BAPATLA, Guntur, A.P.**

AND

**NRI INSTITUTE OF TECHNOLOGY, VIJAYAWADA,
ANDHRA PRADESH**

This MoU is entered into on the day of 30th JUNE, 2022 between BAPATLA WOMEN’S ENGINEERING COLLEGE (hereinafter called BWEC), affiliated to Acharya Nagarjuna University, Guntur and NRI Institute of Technology (Autonomous) situated at Pothavarappadu, Vijayawada an Engineering college (hereinafter called NRI) affiliated to Jawaharlal Nehru Technological University, Kakinada. BAPATLA WOMEN’S ENGINEERING COLLEGE was established in 2009 with the objective of reaching the zenith in the field of education for Women. The founders are socially conscious and continuously responding to the needs and requirements of the region, to uplift the region and to promote educational facilities by establishing schools, to promote games and sports activities in the region, help the poor and improve their health standards by organizing free medical camps etc. BWEC College was ISO Certified Institution in the year 2020. In the interest of establishing a relationship of mutual benefit to both organizations, BAPATLA WOMEN’S ENGINEERING COLLEGE, Bapatla (BWEC) and NRI Insitute of Technology, Vijayawada (NRIIT) have agreed to the areas of collaboration on academic and research related activities as mentioned in this MoU.

1. Objectives:

1.1. To contribute further to the regional understanding between faculty and staff of BWEC and NRIIT for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.

1.2. To strengthen collaboration between BWEC and NRIIT through academic programs in instruction, research and faculty development among the faculty and students of both parties.

2. Scope

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

1. Developing research projects jointly and avail funding
2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
9. Promoting such other activities/programs as mutually agreed from time to time.

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial

establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. BWEC and NRIIT will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MoU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MoU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. BETWEEN
VIJAYA INSTITUTE OF TECHNOLOGY FOR WOMEN(VITW)

AND
NRI INSTITUTE OF TECHNOLOGY, VIJAYAWADA, ANDHRA PRADESH**

This MoU is entered into on the day of 4th, JUNE 2022 between NRI Institute of Technology (Autonomous) situated at Pothavarappadu, and Vijayawada (hereinafter called NRI and Vijaya Institute of Technology for Women Vijayawada Andhra Pradesh, India

(Hereinafter called VITW), an Engineering college affiliated to Jawaharlal Nehru Technological University, Ananthapur. The aforesaid institutions are hereinafter referred to individually as institute and collectively as institutes. Sri Durga Malleswara Educational Society was established in 2007 with the objective of reaching the zenith in the field of education. NRI College of Pharmacy, started in 2007 and NRI Institute of Technology, started in 2008 are the result of such sincere and dedicated efforts and stern determination of the founders of the society. NRI Institute of Technology is an AICTE approved Institution affiliated to the JNTUK which functions as a private self-financing institution to cater to the needs of juvenile aspirants in and around Vijayawada. The promoters of NRIIT started the college with a vision to empower the students with vibrant technology, sensitively matured and innovative to face the challenges of real time global experiences. The founders are socially conscious and continuously responding to the needs and requirements of the region, to uplift the region and to promote educational facilities by establishing schools, to promote games and sports activities in the region, help the poor and improve their health standards by organizing free medical camps etc., Since the day of inception, NRIIT has been growing at a credible but steady pace for an educational institution of its kind. Both NRIIT and NRI College of Pharmacy have been taking a place of pride every year JNTUK results are announced. NRI College of Pharmacy had recently added a feather to the crown of the Society by successfully placing its first outgoing batch of dynamic young pharmacists in

various esteemed Organizations is an Autonomous Institution with good discipline as well as Result oriented with NAAC-A Grade, JNTU Kakinada -Permanent affiliation and ISO Certified Institution and Vijaya Institute of Technology for Women. In the interest of establishing a relationship of mutual benefit to both organizations, NRI Institute of Technology, Vijayawada (NRIIT) and (VITW) have agreed to the areas of collaboration on academic and research related activities as mentioned in this MoU.

1. Objectives:

1.1. To contribute further to the regional understanding between faculty and staff of NRIIT and VITW for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.

1.2. To strengthen collaboration between NRIIT and VITW through academic programs in instruction, research and faculty development among the faculty and students of both parties.

2. Scope

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

1. Developing research projects jointly and avail funding
2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
9. Promoting such other activities/programs as mutually agreed from time to time.

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research

activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. NRIIT and VITW will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MoU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MoU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it

must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MoU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MoU will be made by mutual consent and any amendment or extension to the MoU will be formalized by the exchange of letters and or emails between the two organizations.

5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Coordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given hereunder:

6. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MoU, the same shall be resolved amicably by both the organizations. This MoU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.
