INSTALLATION OF GRID CONNECTED SOLAR ROOF TOPS/POWER SYSTEMS

The Installation of Grid Connected Solar Roof Tops/Power Systems installed in NRI Institute of Technology with Installed capacity of 200kWp. The number of units of power generation 800KWH. Under the SRI DURGA MALLESWARI Educational Society by the ORB Company with total cost of the plant: 1, 30, 20,000 rs.

The solar roof tops/power system were installed on the two blocks of the institution named as MAIN BLOCK and EEE block .with installed capacity 105KWp and 95KWp Respectively The power generation by the solar roof tops connected to the grid tie inverters in each block for feeding power to the local APCPDCL ,Substation Grid system .

Subject: Proposal for Solar Rooftop Plant

Dear Sir,

Thank you very much for the opportunity given to us to quote for the rooftop solar power plant at your facility. Enclosed is our detailed techno commercial offer made on the basis your project requirement expressed during our discussions.

Our value proposition for your project include

- Equipment backed by world class solar technology companies, with a global Solar PV project installed base of more than 100 MW, and more than 10 MW+ installations in India.
- Crystalline Solar modules from Orb Energy offered with a 5 years manufacturing warranty and 25 years performance warranty.
- High efficiency Three phase String Inverters from Schneider Electric, with Built in MPPT tracking Charge controller, LCD & LED display
- Remote monitoring system Features include Daily, cumulative, monthly and yearly energy generation data
- Simplified project planning for faster implementation cycle time
- Reduced installation and commissioning cost

In addition to this we can also offer a long term annual maintenance service contracts to optimize the system performance.

We thank you once again for this opportunity and we look forward to be associated with your esteemed organization for this prestigious project.

Sincerely Yours

G. V. Sivakumar Regional Business Manager +91 9618533010 gv.sivakumar@orbenergy.com
