SWACHH BHARAT

Swachh Bharat Abhiyan is also called as the Clean India Mission or Clean India drive or Swachh Bharat Campaign. It is a national level campaign run by the Indian Government to cover all the backward statutory towns to make them clean. This campaign involves the construction of latrines, promoting sanitation programmes in the rural areas, cleaning streets, roads and changing the infrastructure of the country to lead the country ahead. Nearly 30 volunteers participated in Swachhata Bharat that aims up to clean up the weeds and created awareness in around kasanapalli on 17 october 2019. For our enthusiastic performance and active participation, our honorable chairman, director and principal of our college appreciated and encouraged all volunteers to involve in other such campaigns.
