AN ISO 9001: 2015 CERTIFIED

Welcome to ENGINEERING CAD TRAINING CENTER...

CAD/CAM Experts is amongst India's leading CAD/CAM training institution. We started our operations in the year of 2011 and have continued to grow exponentially since then. In Rajasthan we have our tie ups with many colleges, Institutes and Universities. During this phase CAD/CAM Experts have also been working with Government agencies and promoting skill development programmes. CAD/CAM Experts had been successful in carving its goodwill in the industry. ENGINEERING CAD TRAINING CENTER is established with an objective to provide Engineering trainings & technical solution in the field of CAD & IT sector. ENGINEERING CAD TRAINING CENTER presently have 25+ centers in India directed by head office situated in Kota. We provide training in widest range of vertical courses like Architectural, Civil, Mechanical, CS, IT, Electrical Electronics & communication and Project Management. ENGINEERING CAD TRAINING CENTER deal with all major designing software companies of India. ENGINEERING CAD TRAINING CENTER also deals with the industrial requirements, placements & engineering courses. Broadly we focus on the following branches of engineering.

Why ENGINEERING CAD TRAINING CENTER

- We are ISO 9001:2008 certified company.
- We are delivering training from more than 15+ cities In AP & TS
- We have our knowledge social network like Facebook.
- A certificate verification is available on our website for industry to check genuinity of certificate.
- We are one of the leading training providers in the Northern, Central and Western India.
- The company today has positioned it, as the largest in the field of CAD / CAM / CAE training services.
- We have provided training to more than 10000 technocrats in last 8 years.
- We have achieved above 96% satisfaction level in corporate / college trainings conducted.
- For practical demonstration in CAD/CAM Training course we have 3D printer.
- We arrange exposure visit to trainees in real field.
- In India we got Many tie up's with colleges/Corporate and Govt. Offices.
- Hundreds of real projects have been finished

Offering

We are very thanks full to show keen Interest to Demonstrate CAD/CAM program at your college. As you know that engineering software are used as a bridge for connecting the student's theoretical knowledge to industrial development. It is very important for a student to judge and decide the place and kind of training. In the recent past, India has seen a tremendous change in the field of education especially in the field of engineering and technology. Institutions like you are setting up their infrastructure to give the best education to the youth to shape up their career to make stand out in the world of globalization.

The demand for CAD grows faster than engineering industry. Industries have to get better products faster to the market. Therefore, they need people with CAD skills at all levels. Demand for CAD professionals are growing in every part of the world.

1. Free Workshops / Seminars of 2-4 Hrs. on various topics for student awareness.
2. 2-5days Workshop (Paid) with practical on various topics.
3. 4-6 weeks Program on different topics, this may be part of internship program too.
4. Project Stage-1 (Minor Project) for all disciplines.
5. Project Stage-2 (Major Project) for all disciplines.

Benefit for choosing our course

- Hands-on learning with the latest Engineering Software in the industry
- Student Advisors dedicated to helping you build your professional knowledge
- Courses instructed by industry professionals
- Our graduates possess a good balance of technical skills and esthetic development – able to create, as well as produce stunning industrial object.
- Courses focus on both the conceptual and the technical, as you learn to master visual techniques to bring ideas to life
- You can make a seamless transition into a real production environment.

Our areas of working are :-

- Education
- Training
- Software
- Placements
- Consultancy

STUDENT BENIFITS:-

- Industrial based learning.
- Training monitored by experienced professionals.
- Training schedule based on industries and academics.
- Training schedule managed within the college timing.
- Nominal fee Structure.
- Free Audio Video Software Training DVD
- Original software for all students
- **Certification to students.**
- Students ENGINEERING CAD TRAINING CENTER membership card or login ID on our website.
- ISO 9001:2008 Certified Certificate.

COLLEGE BENIFITS:-

- ENGINEERING CAD TRAINING CENTER will always (Life Time) ready to solve the student's queries regarding training & placements or further higher level study.
- ENGINEERING CAD TRAINING CENTER is committed for the quality training for students.

REPORT ON THE VALUE ADDED PROGRAM

1. **NAME OF THE PROGRAM:** A TWO WEEK VALUE ADDED PROGRAM ON “DESIGN OF HIGH-RISED BUILDINGS USING ETABS”

2. **DURATION OF THE PROGRAM:** 21-11-22 TO 03-12-22

3. **RESOURCE PERSON DETAILS:**

a. Mr. S. Prasanna Kumar (Technical Trainer)

b. Miss. B. Triveni (Technical Trainer)

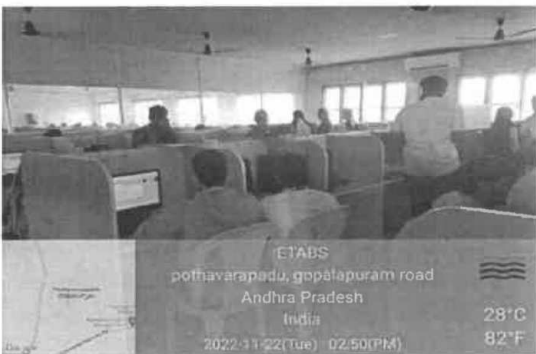

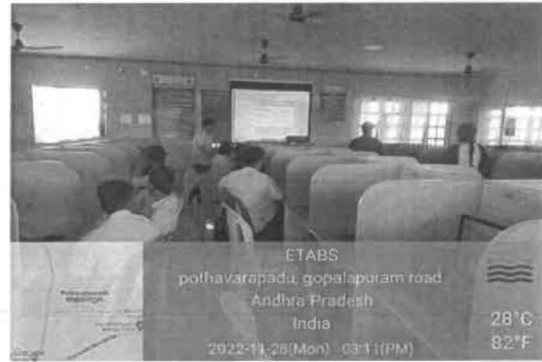

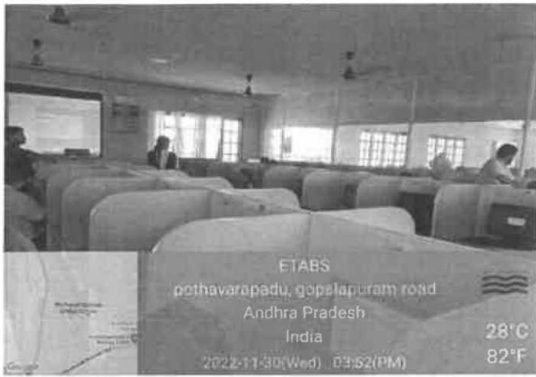

4. **OBJECTIVE OF THE PROGRAM:**

ETABS is an Engineering software product that caters to multi-story building analysis and design. Modeling tools and templates, code-based load prescriptions, analysis methods and solution techniques, all co-ordinates with the grid-like geometry unique to this class of structure.

5. **OUTCOME OF THE PROGRAM:**

- It Enhances load modeling capabilities allow for more accurate analysis of complex loads
- Improved material modeling makes it easier to simulate different types of materials
- Advanced energy efficiency analysis tools, helping engineers design more sustainable buildings.

6. **NUMBER OF PARTICIPANTS:** 111
