**A MEMORANDUM OF UNDERSTANDING ON “ACADEMIC
COLLABORATION”
BETWEEN
AMRITA SAI INSTITUTE OF SCIENCE AND TECHNOLOGY
AND
NRI INSTITUTE OF TECHNOLOGY**

This MOU is entered into on the day of 30th October, 2020 between Amrita Sai Institute of Science and Technology, Paritala, Andhra Pradesh, India and NRI Institute of Technology, Pothavarappadu Village, Agiripalli, Andhra Pradesh, India.

1. Objectives:

- 1.1. To contribute further to the regional understanding between faculty and staff of ASIST and NRI for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.
- 1.2. To strengthen collaboration between ASIST and NRI through academic programs in instruction, research and faculty development among the faculty and students of both parties.

2. Scope:

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

1. Developing research projects jointly and avail funding
2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
9. Promoting such other activities/programs as mutually agreed from time to time.

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any

product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visit various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. ASIST and NRI will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MoU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MoU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MoU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MoU will be made by mutual consent and any amendment or extension to the MoU will be formalized by the exchange of letters and or emails between the two organizations.

5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Co-ordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given hereunder:

6. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MoU, the same shall be resolved amicably by both the organizations. This MoU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

Rajamahendri Institute of Engineering and Technology popularly known as “RIET” was established in the year 2008 near Pidimgoyyi in Rajahmundry by “The Swarnandhra Educational Society” pioneered by Technocrats, Academicians and Philanthropists with a concrete plan to offer excellence in technical education and to meet the present as well as the changing needs of the corporate sector. The college is located in a peaceful and lush green environment away from the din and bustle of the crowded city life which is free from pollution and congenial to attain technical knowledge. The nearest air port is at Madhurapudi which is 15 kms away from the college and the nearest Railway station is at Rajahmundry which is 8 kms away from the college. The college is well connected by National highway 16 to all parts of the district as well as the state. The college is affiliated to JNTUK Kakinada and approved by AICTE, New Delhi and Government of Andhra Pradesh. The college was started in the year 2008 and has completed twelve years of successful functioning in the areas of Teaching, Learning, Evaluation, Research, Career planning, Training and Placement and is now in its twelveth year of its existence. The college is making rapid strides in the field of technical education and

has emerged as a reputed institute in the Jawaharlal Nehru Technological University, Kakinada, Andhra Pradesh region. The institution always tries to look ahead in pursuit of excellence. All the management members of the college believe in adapting to the changes in advanced technologies. They continuously develop the infrastructural and instructional facilities of the institution for better performance in Engineering & Technology programmes.

(RIET) and (NRIIT) have agreed to the areas of collaboration on academic and research related activities as mentioned in this MOU.

1. Objectives:

1.1. To contribute further to the regional understanding between faculty and staff of RIET and NRIIT for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.

1.2. To strengthen collaboration between RIET and NRIIT through academic programs in instruction, research and faculty development among the faculty and students of both parties.

2. Scope

The Scope of collaboration on academic and research activities in this Memorandum of

Understanding includes the following categories:

1. Developing research projects jointly and avail funding
2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
9. Promoting such other activities/programs as mutually agreed from time to time.

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. RIET and NRIIT will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the

organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MOU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MOU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MoU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MOU will be made by mutual consent and any amendment or extension to the MOU will be formalized by the exchange of letters and or emails between the two organizations.

5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Coordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given here under.

6. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MOU, the same shall be resolved amicably by both the organizations. This MOU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

- b. The 3rd year students to be trained shall be pre-selected by Hexaware (hereinafter referred to as the 'Pre-selected Students') as per Hexaware's selection process and a Letter of Intent (LOI) will be given to the pre-selected students which will specify the conditions to be complied with in order to join the organization.
- c. The pre-selection is primarily for the Graduate Engineer Trainee (GET) category. Top performing students from the training program who qualify may be selected as Premier Graduate Engineer Trainees (PGETs), subject to company policy. Hexaware will have the final call based on the individual performance in this regard. All final selections for offer will be subject to selection in the final Hexaware recruitment process.
- d. Hexaware will provide the College with Training curriculum, connect with Hexaware's training partners for learning contents and assessments, industry-Academia exposure and support events to uplift the capability of the pre-selected students. The College shall use the materials, procure at its own cost necessary software and access to Hexaware partner's Portal and program manage these efforts under the guidance of designated representative of Hexaware and exclusively for the purpose specified under this MOU.
- e. The College shall nominate two or three faculty members for undergoing the Trainer Certification Program by Hexaware. The faculty, after completion of certification, will be allowed to train certain number of students as agreed upon by the parties in writing from time to time.
- f. The College shall establish a Center of Excellence (CoE) under the guidance of Hexaware with the specified infrastructure requirements of Hexaware and shall use the CoE for imparting the CoE specific course/training. This CoE shall be exclusive to the use of the purpose stated under this MOU and will not be used for running other courses of the College or other Organizations.

NRI Institute of Technology

Chairman

- m. The program involves substantial efforts and investment and continuous engagement from Hexaware with the intent to develop and hire substantial numbers from the College. The College shall therefore take all necessary steps to ensure that at least 90% of the pre-selected students join Hexaware after successful completion of the training. A drop in the joining percentage below the expected level will seriously jeopardize Hexaware's interests and may be a material reason to not continue the engagement in the following years.
- n. Pre-selected Students who undergo this program in their 3rd Year, after completing the Hexaware Training Program, may be given an internship opportunity in their 8th Semester (4th Year) by Hexaware either in its premises or through the Hexaware Lab which will be setup in the College for administering Internships remotely by Hexaware.
2. This MoU is subject to the College earmarking 100+ students for placement in Hexaware exclusively and meeting the qualification and past performance criteria defined by Hexaware (Ranking in either of the following: NIRF, Career 360, NBA & NAAC (A))
3. The MOU shall be valid for three years from the date of execution. Hexaware shall have the right to terminate this MOU in the event of breach of material obligations including confidentiality obligations by the Partner, by giving a notice of fifteen (15) days, provided that the breach is not remedied by the College within such period.
4. The Parties herein have agreed to perform various obligations for the purpose outlined in the MOU earlier and there is no monetary obligation/consideration involved herein between the Parties. The College shall bear all expenses towards providing infrastructure, network and internet access, other facilities required for the education and training and such other expenses incurred in performing its obligations under this

approval and permission. In the event, the College or any of its personnel/ students/ faculty breach its confidentiality obligations or infringe the intellectual property of Hexaware, Hexaware shall have the right to pursue appropriate remedies available at law and shall be entitled to equitable relief. In addition, the College shall indemnify, defend and hold harmless Hexaware, from and against all claims and all losses, liabilities, obligations, damages, expenses and costs (including without limitation reasonable legal fees) brought against or suffered by the other or any of its respective officers, directors, employees or agents, resulting from, arising out of or relating to breach of confidentiality obligations, applicable laws and regulations and infringement of intellectual property.

8. Hexaware shall also provide requisite publicity material such as handouts, information brochures and posters, if applicable to the College. Upon expiration, termination of this MOU or when requested by Hexaware, the College shall cease using all such material and documents and it shall immediately return all copies of the documents, in whatever form to Hexaware.
9. Neither of the parties shall not use the name of the party in any advertisement nor make any public announcement without the prior written approval of the other party.
10. Hexaware may have similar collaborations with other institutions and this Agreement is not exclusive.
11. The College may have similar collaborations with other Companies so long as Hexaware's interests are not compromised, confidentiality of the knowhow and processes are maintained, the pre-selected students alone are put through Hexaware's training curriculum and made available exclusively to Hexaware for its recruitment process.
12. The college shall take all necessary steps to safeguard the interest of Hexaware by avoiding any conflict of interest with other competing companies. Prior approvals need to be taken from Hexaware for any event involving the pre-selected students or the Hexaware CoE.

NRI Institute of Technology 7
Chairman

18. The termination of this MOU shall not affect the implementation of the projects or programs established under it, prior to such termination or until such definitive agreement is agreed and executed between the parties whichever is earlier. Notwithstanding anything to the contrary, in the event of expiry or early termination of this MOU, College shall reimburse all expenses incurred by Hexaware in performing its obligations under this MOU till the effective date of termination.

19. Any dispute arising out of this MOU shall be at the first instance attempted to be settled amicably between the parties within a period of 30 days. If the dispute is not resolved within 30 days from the date it first arose, or if either party believes that it is unlikely to be resolved in this matter, any such dispute shall be finally referred to arbitration. Any controversy or claim arising out of or relating to this contract, or the breach thereof, shall be settled in accordance with Indian Arbitration and Conciliation Act 1996, and judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction. The arbitration shall be conducted by single arbitrator mutually appointed by parties. The seat of arbitration shall be Chennai, Tamil Nadu, India and the arbitration shall be conducted in English language. In case, the dispute cannot be settled amicably, this MOU is subject to the jurisdiction of Courts at Chennai.
