REPORT ON A TWO DAY TRAINING SESSION ON "How to succeed in Logical and Analytical Skills to crack TCS"

A Two day training session on "How to succeed in Logical and Analytical Skills to crack TCS" was held and conducted by Mr. K. Moni, CEO of Black by Training & Placement Cell from 31-08-2018 to 1-09-2018. The training was aimed at cracking TCS entry level test. The needed skills for quick calculations, short cuts and other tips were well focused.

The inputs were well taken by the students who were enthusiastic from the beginning by their continuous interaction and active participation. Student's rapt attention and interaction was well appreciated by the resource.

Webinar on Cracking Code vita of TCS on 03-07-2020

The image shows a screenshot of a Zoom webinar. In the top right corner, there is a small video feed of a man with the name 'Vasu Sriram' below it. The main content is a slide with a white background and a blue border on the left. The slide title is 'CodeVita – What's different'. Below the title is a list of ten bullet points. In the bottom right corner of the slide, the 'edyst' logo is visible. The Zoom logo is partially visible at the bottom right of the entire screenshot.

CodeVita – What's different

- ❑ 100% Coding Questions
- ❑ Open book Test - You can seek references, Google and do attribution
- ❑ Higher Order of Programming Concepts required
- ❑ Time bound - Test (6 hours & 6 Questions)
- ❑ Problem solving skills required
- ❑ Languages: C, C++, C#, Java, PHP, Perl, Python, Ruby
- ❑ Needs specific type of practice (topics & assessments)
- ❑ Competition with the best of the best - Nationwide
- ❑ Ability to code and also explain code in interviews
