REPORT ON A ONE DAY INTERACTIVE SESSION ON

"Ways to meet Industry Trends"

The Training & Placement Cell of NRIIT organized a One Day Interactive Session for the interested IV year B. Tech students on "Ways to meet Industry Trends" on 05-11-2022. The resource person Mr. Ravi Teja Tellam, President, Amaravati HR Conclave Chapter, threw light on the opportunities that students have to grab and get hold of with industry ready technical and employability skills for getting placed successfully and decently.

The interactive mode of delivering the subject made the students involve and participate with great enthusiasm.

Mr. Ravi Teja appreciated the interest and proactive participation of the students.

REPORT ON A THREE DAY TRAINING SESSION ON "Java"

The Training & Placement Cell of NRIIT organized a three day training session for the interested IV year B. Tech students on the much important 'Java' from 18-07-2022 to 20-07-22. The resource person Mr. P. Surendra Varma, Technical Trainer, hit the nail directly on the head covering the essential areas of the subject to be focused by the students for getting placed in well reputed MNCs with handsome packages.

The interactive and demo sessions on all the three days made the students break the ice and try their performances in the respective situations.

Mr. Surendra appreciated the interest and proactive participation of the students, that made the sessions more involving and livelier.

REPORT ON A ONE DAY INTERACTIVE SESSION ON

"Career-path for high package jobs"

The Training & Placement Cell of NRIIT organized a one day program for the interested IV year B. Tech students on "Career-path for high package jobs" on 12-07-2022. The resource person Ms. T. Anuradha, CEO, Black Bucks, threw light on the essentials of technical areas to be learnt and excelled by the students for getting placed in high package positions in reputed MNCs.

The interactive mode of the session made the students pro-active and to participate with ease.

Ms. Anuradha appreciated the interest and proactive participation of the students that enabled to break the ice and brought many enthusiastic learners to the forefront.

REPORT ON A TWO DAY WORKSHOP ON

"Coding Made Easy"

A Two Day workshop on 'Coding Made Easy' was organized by the Training & Placement Cell of NRIIT for the interested final year B.Tech students of circuit Branches from 08-03-2022 to 09-03-2022. The resource person Mr. Daggubati Sravan from Develop Trees, shared many short cuts and important tips for making the code writing very easy especially for slow learners. The practical session after the theoretical session made the program so informative to the students.

They applauded the resource for all his skill and patience during the sessions that made them feel at home.

Mr. Sravan too appreciated the interest and proactive participation of the students which showcased their interest and passion for betterment.

REPORT ON A ONE WEEK PROGRAM ON "Python Programming As per latest modes of Technology"

A One week program was scheduled for the final year B.Tech students by the Training & Placement Cell from 18-10-2021 to 23-10-2021 on 'Python Programming as per latest modes of Technology.' This training enables to update their theoretical knowledge as well as their hands on experience on writing and creating codes using python. The detailed information shared in the lecture classes in addition to the practical sessions held in the laboratories was so helpful to the students in preparing and getting ready for the campus placement drives.

The interactive and practical sessions proved to reach students' satisfaction levels. The trainer's motivation and amicable approach was well received and utilized by the students for their betterment.

REPORT ON A TWO DAY PROGRAM ON

"Enhancing Power Coding Skills to suit Recent Trends"

A Two day program on 'Enhancing Power Coding Skills to suit Recent Trends' for the final years from 24-09-2021 to 25-09-2021 was organized by the Training & Placement Cell. The speaker and resource was Mr. Raj Kumar from Black Bucks who aimed at improving students' hands on experience on very important technical aspects of coding that suits the industry requirement. Students were advised to focus more on their coding efficiency which facilitates their easy grabbing of good positions in prestigious MNCs.

The training was well utilized by the students for the fullest benefit in the campus selections.

REPORT ON A ONE WEEK WORKSHOP ON "Latest Technology Training in Java Full Stack"

A One week workshop on 'Latest Technology Training in Java Full Stack' was conducted by Mr. Narasimha from Black Bucks with the coordination of the Training & Placement Cell from 13-09-2021 to 18-09-2021. The training was aimed at improving students' hands on experience on very important technical aspects from Java that suit the industry requirement. It enables the students to develop ease in coding and writing programs as a part of fulfillment of the campus placement requirement. The inputs and practical laboratory sessions were much beneficial to the final year students for getting ready for placements.

The training was well received by the students who utilized it to the fullest by their continuous interaction and active participation.

REPORT ON A TWO DAY VIRTUAL SESSION ON "Entering Finance and Banking Sectors"

A Two day virtual session was organized by the Training & Placement Cell to IV year students from 21-6-2021 to 22-6-2021 to instill and promote their awareness on finance and banking areas. The resource person was from State Street HCL, Service Team, Mr. Manjunadh. He briefed on the scope and probable success rate of the respective sectors which will be helpful to the students who opt them as their working preferences. Moreover it was also stated that those who plan to become entrepreneurs would be benefitted from the said topics.

The session helped in clarifying various queries raised by the students regarding probable career opportunities in the said field. Certain tips were shared to focus on the chosen career and the efforts to be taken to make their dreams come true.

The students expressed their contentment that the program was very informative to them.

The resource person also appreciated the student's attention and interest during the session. He motivated the students to be confident and to concentrate on their chosen career choices.

REPORT ON A ONE DAY INTERACTIVE SESSION ON "Latest trends in using Advanced Technology"

A one day interactive program on "Latest trends in using Advanced Technology" was organized by the Training & Placement Cell for the final years on 05-04-2021. The speaker and resource Mr. Abhishek, HR & Technical expert, Virtusa sharply drew the attention of the students to the very important technical aspects of coding that suit the industry requirement. Students were advised to focus more on their coding efficiency which facilitates their easy grabbing of good positions in prestigious MNCs.

The training was well utilized and applauded by the students.

Students' active participation and interaction was well appreciated by the resource

REPORT ON A ONE DAY WEBINAR ON "Gen C Orientation"

A One day webinar was organized to the IV year B.Tech students by the Training & Placement Cell on 15-10-2020 to make the students industry ready. The resource person was Ms. Maya Sri Kumar, India Head, CTS. She threw light on important updates and changes happening in the technical areas and guided the students to encounter the new scenario with needed confidence.

The session was truly helpful to the students in clarifying some simple but important doubts. The interactive space provided by the speaker was much appreciated and made best use of by the students.

The program was well received by the students who responded much positively about the resources.

Students' rapt attention and interaction was well appreciated by the resource.

REPORT ON A ONE DAY WEBINAR ON "Tips for promoting Coding Skills"

A One day webinar was organized to the IV year B.Tech students by the Training & Placement Cell on 22-08-2020 to make the students ready for the approaching placement opportunities. The resource person was Mr. Vijay Kumar.S, Chief Promotor, iB Hubs. He threw light on a few techniques to solve coding questions and the probable ways of answering them in a skilful manner.

The session was truly helpful to the students in clarifying their doubts. The interactive space provided by the speaker was much appreciated and made best use of by the students.

The program was well received by the students who responded much positively about the resources.

Students' rapt attention and interaction was well appreciated by the resource.

REPORT ON A ONE DAY WEBINAR ON "Cracking Code vita of TCS"

A One day virtual session was organized to the IV year B.Tech students by the Training & Placement Cell on 03-07-2020 to prepare them for the approaching interviews. The resource person was Mr. Vasu, CEO of Edyst. He threw light on a few very important techniques to perform well in any coding contest or test conducted by any company.

The session was truly helpful to the students in clarifying important doubts. The interactive space provided by the speaker was much appreciated and made best use of by the students.

The program was well received by the students who responded much positively about the resources.

Students' rapt attention and interaction was well appreciated by the resource.

REPORT ON A ONE DAY TRAINING PROGRAM ON

"Understanding latest trends in Technology"

A One day training program was scheduled for the final year B.Tech students by the Training & Placement Cell on 30-09-2018 on the topic "Understanding latest trends in Technology". This training enables the students of CSE, ECE, EEE and IT to update their theoretical knowledge as well as their hands on experience on writing and creating codes using python and other trending languages. The detailed information shared in the lecture classes in addition to the practical sessions held in the laboratories was so helpful to the students in preparing and getting ready for the campus placement drives.

The interactive and practical sessions proved to reach students' satisfaction levels. The trainer's motivation and amicable approach was well received and utilized by the students for their betterment.

REPORT ON A TWO DAY WORKSHOP ON

"Deciphering C – Made easy"

A Two day workshop on "Deciphering C – Made easy" was held and conducted by Ms. Jhansi, FACE trainer by the Training & Placement Cell from 29-8-2018 to 30-8-2018. The training was aimed at hitting high packages with effective performance in coding and programming. The needed skills for coding, successfully creating new codes using various languages were well focused for grabbing high packages.

The inputs were well taken by the students who were enthusiastic from the beginning by their continuous interaction and active participation.
