Resolutions

On behalf of the Management, Principal, Faculty Members of the Department and in particular the internal members of the Board of Studies in Department of **MECHANICAL ENGINEERING** extends their hearty welcome to the external members of this Board of Studies for kindly accepting our invitation to be on the Board of Studies in the Department of **MECHANICAL ENGINEERING** and for attending this meeting to guide us for implementing the Autonomy of our Institution.

SECTION II

Item for consideration

SYLLABUS MATTERS

Item 2.1.1: Syllabus for First year UG and PG Programme has been presented to the Board of Studies for perusal.

Examined and consider the syllabus for the following UG Courses of B. Tech. (Mechanical Engineering)

1st Semester:

1. Engineering Drawing
2. Basic Engineering and IT workshop

2nd Semester

1. Engineering Mechanics

Examined and consider the syllabus for the following PG Courses of M. Tech. (Thermal Engineering)

1st Semester:

1. Optimization techniques and Applications
2. Advanced Thermodynamics
3. Advanced Heat & Mass Transfer
4. Advanced Fluid Mechanics
5. Elective I
 - a) Gas Dynamics
 - b) Refrigeration and Cryogenics
 - c) Renewable Energy Technologies

- d) Theory and Technologies of Fuel Cells
- 6. Elective II
 - a) Advanced IC Engines
 - b) Solar Energy Technologies
 - c) Turbo Machines
 - d) Alternative Fuels Technologies
- 7. Thermal Engineering Lab

2nd Semester:

- 1. Fuels Combustion & Environment
- 2. Energy Management
- 3. Finite Element Method
- 4. Computational Fluid Dynamics
- 5. Elective III
 - a) Materials Technology
 - b) Convective Heat Transfer
 - c) Thermal and Nuclear Power Plants
 - d) Advanced Automobile Engineering
- 6. Elective IV
 - a) Thermal measurements and Process Controls
 - b) Cryogenic Engineering
 - c) Jet Propulsion and Rocketry
 - d) Equipment Design for Thermal Systems
 - e) Thermal Engineering Lab
- 7. Thermal Systems Design Lab

Resolved to accept the proposed syllabus proposed for the above courses of 1st and 2nd Semesters of 1st year B.Tech and 1st year M.Tech with modifications as suggested by members. **Various stake holders feedback is considered to include new courses in the course structure and discussed about the industry institute interaction through internships and projects.**

EXAMINATION MATTERS

Item 2.2.1: To consider and approve the subject wise panel of examiners for the Question Paper setting

Considered the point of preparing the panel of Examiners for paper setting of each subject, of first and second semesters of 1st year B.Tech. in **Mechanical Engineering** and 1st year M.Tech in **Thermal Engineering**. The Board unanimously authorises the Chairman to prepare the panel of Examiners for paper setting. The Head of the Department who is the Chairman of the Board is

authorized to submit the same to the Principal in sealed cover for further process.

Item 2.2.2.: To consider and approve the subject wise List of Valutors for spot Valuation

Considered the point of preparing the panel of Examiners for evaluation of each subject papers, of first and second semesters of 1st year B.Tech. in **Mechanical Engineering** and 1st year M.Tech. in **Thermal Engineering**. The Board unanimously authorises the Chairman to prepare the panel of Examiners for evaluation. The Head of the Department who is the Chairman of the Board is authorized to submit the same to the Principal in sealed cover for further process.

ITEM FOR NOTING

Item: 1.01 Noting and Welcoming the Members of Board of Studies Resolutions

On behalf of the Management, Principal, Faculty Members of the Department and in particular the Internal members of Board of Studies in Department of Mechanical Engineering (ME) extends their hearty welcome to the external members of Board of Studies in the Department of Mechanical Engineering for attending this Online meeting to guide us for implementing the Autonomy of our Institution.

SECTION: II

ITEM FOR CONSIDERATION

SYLLABUS MATTERS:

Item 2.1.1: To consider and approve the Second-year syllabus of UG and PG Programme.

Examined and considered the syllabus for the following Courses of UG Programme (B.Tech-ME)
3rd Semester:

1. Materials Science and Engineering
2. Basic Thermodynamics
3. Mechanics of Materials
4. Manufacturing Processes
5. Material Testing and Metallurgy Lab
6. Manufacturing Processes Lab
7. Thermal and Hydro Prime Movers
8. Thermal and Hydro Lab

Note:- Thermal and Hydro Prime movers and Thermal and Hydro Lab courses are opted by EEE Department in the 3rd semestr

4th semester:

1. Design of Machine Elements-I
2. Fluid Mechanics and Hydraulic Machines
3. Kinematics of Machines
4. IC Engines and Gas Turbines
5. Computer Aided Machine Drawing (Internal)
6. Open Elective-I
 1. Basics of Mechanical Engineering
 2. Industrial Materials
7. Fluid Mechanics & Hydraulic Machines Lab
8. Thermal Engineering Lab

Examined and considered the syllabus for the following paper of PG Programme (M.Tech-Thermal Engineering)
3rd Semester:

1. Comprehensive Viva Voice
2. Seminar-1

3. Project Work Part-1

4th Semester

1. Seminar-II
2. Project Work Part-II

Resolved to accept the syllabus proposed for the above Courses of M.Tech 3rd and 4th semesters, 1st and 2nd Semesters of 2nd year B.Tech, with modifications as suggested by members. Feed back is also taken from various stake holders to include new courses in the course structure and discussed about the implementation of internships and projects.

EXAMINATION MATTERS:

ITEM 2.2.1: To consider and approve the subject panel of examiners for the Question Paper setting.

Considering the point of Preparing the panel of Examiners for paper setting of each subject, of First and Second semester of 2nd Year B.Tech in Mechanical Engineering (ME) and 2nd year M.Tech (Thermal Engineering).

Resolved to accept the Board unanimously prepared the panel of Examiners for paper setting. The Head of the Department who is the Chairman of the Board is authorized to submit the same to the Principal in sealed cover for further process.

ITEM 2.2.2: To consider and approve the subject wise List of Valuers for spot Valuation

Considered the point of preparing the panel of Examiners for evaluation of each subject papers of first and second semesters of 2nd Year B.Tech in Mechanical Engineering (ME) and 2nd year M.Tech.

Resolved to accept the Board unanimously prepared panel of Examiners for evaluation.

The Head of the Department who is the Chairman of the Board is authorized to submit the same to the Principal in sealed cover for further process.

3. Manufacturing Technology
4. Applied Thermodynamics
5. Indian Constitution

6. **Open Elective – II**
 1. Introduction to Material Handling Equipment.
 2. Introduction to Robotics

7. **Professional Elective – I**
 1. Rapid Prototyping
 2. Automation in Manufacturing
 3. Hydraulic and Pneumatic Systems
 4. Electric & Hybrid Vehicles

8. Machine Tools Lab
9. Theory of Machines Lab

2nd semester:

1. Heat Transfer
2. Instrumentation & Control Systems
3. Finite Element Methods
4. Operations Research
5. IPR and Patents

6. **Open Elective – III**
 1. Mechatronics
 2. Hydraulic and Pneumatic Systems

7. **Professional Elective – II**

1. Computational Fluid Dynamics
 2. Robotics
 3. Non-Destructive Evaluation
 4. Introduction to Material Handling Equipment
-
8. Heat Transfer Lab
 9. Simulation Lab

Resolved to accept the syllabus proposed for the above Courses of 1st and 2nd Semesters of 3rd year B.Tech. with modifications as suggested by members. ITEM FOR NOTING

Item: 1.01 Noting and Welcoming the Members of Board of Studies

Resolutions

On behalf of the Management, Principal, Faculty Members of the Department and in particular the Internal members of Board of Studies in Department of Mechanical Engineering (ME) extends their hearty welcome to the external members of Board of Studies in the Department of Mechanical Engineering for attending this Online meeting to guide us for implementing the Autonomy of our Institution.

SECTION:II

ITEM FOR CONSIDERATION

SYLLABUS MATTERS:

Item 2.1.1: To consider and approve the First year syllabus of NRIA20 UG Programme.

Examined and considered the syllabus for the following Courses of UG Programme (B.Tech-ME)

1styr 1st Semester:

1. Engineering Drawing
2. Engineering Graphics(for other branches)

1styr 2nd semester:

1. Engineering Mechanics
2. Computer Aided Engineering Drawing
3. Workshop Practice Lab

Resolved to accept the syllabus proposed for the above Courses of 1st and 2nd Semesters of 1st year B.Tech. with modifications as suggested by members. Feed back is also taken from various stake holders to include new courses in the course structure and discussed about the implementation of interships and projects.

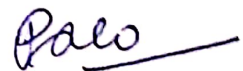

EXAMINATION MATTERS:

ITEM 2.2.1: To consider and approve the subject panel of examiners for the Question Paper setting. Considering the point of Preparing the panel of Examiners for paper setting of each subject, of First and Second semester of 1st Year B.Tech in Mechanical Engineering (ME).

Resolved to accept the Board unanimously prepared the panel of Examiners for paper setting. The Head of the Department who is the Chairman of the Board is authorized to submit the same to the Principal in sealed cover for further process.

ITEM 2.2.2: To consider and approve the subject wise List of Valuers for spot Valuation Considered the point of preparing the panel of Examiners for evaluation of each subject papers of first and second semesters of 1st year B.Tech in Mechanical Engineering.

Resolved to accept the Board unanimously prepared panel of Examiners for evaluation. The Head of the Department who is the Chairman of the Board is authorized to submit the same to the Principal in sealed cover for further process.

Item: 1.01 Noting and Welcoming the Members of Board of Studies**Resolutions**

On behalf of the Management, Principal, Faculty Members of the Department and in particular the Internal members of Board of Studies in Department of Mechanical Engineering (ME) extends their hearty welcome to the external members of Board of Studies in the Department of Mechanical Engineering for attending this Online meeting to guide us for implementing the Autonomy of our Institution.

SECTION:II ITEM FOR CONSIDERATION**SYLLABUS MATTERS:**

Item 2.1.1: To consider and approve the Fourth-year syllabus of UG Programme.

Examined and considered the syllabus for the following Courses of UG Programme (B.Tech-ME)

1st Semester:

1. Industrial Engineering and Management
2. Introduction to CAD/CAM
3. Metrology
4. **Open Elective – IV**
 1. Nano Technology
 2. Additive Manufacturing
5. **Professional Elective – III**
 1. Unconventional Machining Process
 2. Power Plant Engineering
 3. Mechatronics
 4. Advanced Mechanics of Materials
6. **Professional Elective – IV**
 1. Mechanical Vibrations
 2. Introduction to Composite materials
 3. Refrigeration & Air-conditioning
 4. Jet & Rocket Propulsion Engineering
7. Instrumentation and Metrology Lab
8. Computational Fluid Dynamics Lab
9. Term Paper

2nd semester:

1. **Professional Elective – V / MOOCS**
 1. Nano Technology
 2. Introduction to Robotics
 3. Energy Conservation and Management
 4. Computer Graphics and Geometrical Modeling
2. **Professional Elective – VI / MOOCS**
 1. Design for Manufacturing
 2. Automobile Engineering
 3. Metal Forming Process
 4. Project Management
3. Major Project
4. Internship

Resolved to accept the syllabus proposed for the above Courses of 1st and 2nd Semesters of 4th year B.Tech. with modifications as suggested by members. Feed back is also taken from various stake holders to include new courses in the course structure and discussed about the implementation of interships and projects.

EXAMINATION MATTERS:

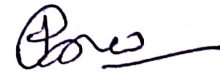

ITEM 2.2.1: To consider and approve the subject panel of examiners for the Question Paper setting. Considering the point of Preparing the panel of Examiners for paper setting of each subject, of First and Second semester of 4th Year B.Tech in Mechanical Engineering(ME).

Resolved to accept the Board unanimously prepared the panel of Examiners for paper setting. The Head of the Department who is the Chairman of the Board is authorized to submit the same to the Principal in sealed cover for further process.

ITEM 2.2.2: To consider and approve the subject wise List of Valuers for spot Valuation

Considered the point of preparing the panel of Examiners for evaluation of each subject papers of first and second semesters of 4th year B.Tech in Mechanical Engineering.

Resolved to accept the Board unanimously prepared panel of Examiners for evaluation. The Head of the Department who is the Chairman of the Board is authorized to submit the same to the Principal in sealed cover for further process.

ITEM FOR CONSIDERATION

SYLLABUS MATTERS:

Item 2.1.1: To consider and approve the Second year syllabus of UG Programme.

Examined and considered the syllabus for the following Courses of UG Programme (B.Tech-ME)

2nd yr 1st Semester:

1. Mechanics of Solids
2. Fluid Mechanics & Hydraulic Machines
3. Production Technology
4. Kinematics of Machinery
5. Thermodynamics
6. Fluid Mechanics & Hydraulic Machines Lab
7. Production Technology Lab
8. Drafting and Modeling Lab
9. Essence of Indian Traditional Knowledge

2nd semester:

1. Material Science & Metallurgy
2. Dynamics of Machinery
3. Thermal Engineering-I
4. Industrial Engineering and Management
5. Mechanics of Solids and Metallurgy Lab
6. Machine Drawing Practice
7. Theory of Machines Lab
8. Python Programming Lab

Resolved to accept the syllabus proposed for the above Courses of 1st and 2nd Semesters of 2nd year B.Tech. with modifications as suggested by members. Various stake holders feedback is also considered to include new courses in the course structure and discussed about the industry institute interaction through internships and projects.

EXAMINATION MATTERS:

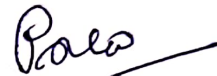

ITEM 2.2.1: To consider and approve the subject panel of examiners for the Question Paper setting. Considering the point of Preparing the panel of Examiners for paper setting of each subject, of First and Second semester of 2nd Year B.Tech in Mechanical Engineering(ME).

Resolved to accept the Board unanimously prepared the panel of Examiners for paper setting. The Head of the Department who is the Chairman of the Board is authorized to submit the same to the Principal in sealed cover for further process.

ITEM 2.2.2: To consider and approve the subject wise List of Valuators for spot Valuation

Considered the point of preparing the panel of Examiners for evaluation of each subject papers of first and second semesters of 2nd year B.Tech in Mechanical Engineering.

Resolved to accept the Board unanimously prepared panel of Examiners for evaluation. The Head of the Department who is the Chairman of the Board is authorized to submit the same to the Principal in sealed cover for further process.

Ref.No: NRI/ECE/BoS/2021-22/01

Minutes of meeting for Board of Studies held on 2/9/2021

Time: 2.00 P.M

An online meeting is held in the department with the members of Board of studies to finalize and approve the curriculum for regulation NRIA18 and NRIA20 for ECE, Pools offered to the students for Minor Courses and major courses, Syllabus for IV year (R18), II year (R20), Open electives offered to other Departments and new courses introduced.

- 1) Considered and approved the Syllabus for regulation R20 as offered by APSCHE and latest JNTUK regulations
- 2) Considered and approved the syllabus for IV year (NRIA18) B.Tech programme along with professional electives III ,IV,V& VI
- 3) Considered and approved course structure and syllabus for NRIA20 regulation for II year B.Tech programme
- 4) Considered and approved the syllabus for courses offered for I B.Tech programme of NRIA20 regulation.
- 5) Considered and approved the syllabus for open electives offered to other Departments.
- 6) Considered and approved minor and major pools.
- 7) With the suggestion of BoS members new courses such as electronic circuit design (SC), and python programming (SC) are introduced.
- 8) Discussed about suggestions and feedback taken from various stake holders(Alumini, parents, industry, employers ,students) regarding framing course structure to include internships ,projects etc
- 9) Considered and approved the subject wise panel of examiners for paper setting.
- 10) Considered and approved the subject wise list of evaluators for spot valuation. prepared and submitted approved syllabus and list of evaluators to the chairman Board of studies and is authorized to submit the same to the principal in sealed cover for further processing.

To

Respected Sir/Madam,

Sub: Meeting of the Internal Board of Studies- Reg.

Thank you very much for giving your valuable inputs during the last meeting conducted virtually on 04-07-2020.

In continuation to our earlier BOS meeting, I request you to participate in the BOS Meeting in Computer Science and Engineering to be conducted in Dean Chamber, at 2.00 P.M and extend your valuable suggestions.

AGENDA

1. To discuss and prepare the 1st Year Autonomous Course Structure for newly introduced B.Tech (CSE - Telugu Medium) program of NRI20 Regulation.
2. To discuss and prepare the 1st Year Autonomous Course Structure for newly introduced B.Tech (Artificial Intelligence and Machine Learning) program of NRI20 Regulation.
3. To discuss and prepare the 2nd Year Autonomous Course Structure for B.Tech CSE (Data Science) program of NRI20 Regulation.
4. To discuss and prepare the 2nd Year Autonomous Course Structure for B.Tech CSE (Artificial Intelligence and Machine Learning) program of NRI20 Regulation.
5. To discuss and prepare the B.Tech IV Year (I & II Semesters) Course Contents of NRI18 Regulation.
6. To discuss and prepare the list of B.Tech Open Electives to be offered by CSE Department.
7. To identify and approve the panel of examiners for the above courses.
8. Any other item with the permission of the Chairman.

Kindly make it convenient to attend the meeting.

Curriculum. Since AICTE is going to supply the Engineering Text Books in Telugu medium. When, AICTE was contacted for the course curriculum and Text Books, they assured to support us in this respect.

2) Members of the Committee has discussed & identified the course structure and course contents for the newly introduced B.Tech (AI & ML) inline with APSCHE, JNTUK and AICTE model curriculum. A Brain Storming session was conducted & the course structure & contents were prepared as NRIA 20 Regulation.

SECTION – I**ITEM FOR NOTING**

Item: 1.01 Noting and Welcoming the Members of the Board of Studies

Resolutions

On behalf of the Management, Principal, Faculty Members of the Department and in particular, the Internal members of the Board of Studies in the Department of Mechanical Engineering (ME) extends their hearty welcome to the External members of the Board of Studies in the Department of Mechanical Engineering for attending this Online meeting to guide us for implementing the Autonomy of our Institution.

SECTION: II**ITEM FOR CONSIDERATION****2.1 SYLLABUS MATTERS:**

Item 2.1.1: To consider and approve the Third-year syllabus of the UG Programme.

Examined and considered the syllabus for the following Courses of the UG Programme (B.Tech-Mechanical Engineering)

III B Tech-Ist Semester:

1. Thermal Engineering-II
2. Design of Machine Members-I
3. Machining, Machine Tools & Metrology
4. **Open Elective – I**
 1. Sustainable Energy Technologies
 2. Operations Research
 3. Nano Technology
 4. Thermal Management of Electronic systems
5. **Professional Elective – I**
 1. Finite Element Methods
 2. Industrial Robotics
 3. Advanced Materials
 4. Renewable Energy Sources
 5. Mechanics of Composites
 6. MOOCs (NPTEL/Swayam) Course (12 Week duration)
6. Machine Tools Lab
7. Thermal Engineering Lab
8. Advanced Communication Skills Lab
9. Professional Ethics and Human Values (mandatory non credit course)
10. Honors/Minor courses

III B Tech-2nd semester:

1. Heat Transfer
2. Design of Machine Members-II
3. Introduction to CAD/CAM
4. **Open Elective – II**
 1. Industrial Robotics
 2. Essentials of Mechanical Engineering
 3. Advanced Materials
 4. Introduction to Automobile Engineering
5. **Professional Elective - II**
 1. Automobile Engineering
 2. Smart Manufacturing
 3. Advanced Mechanics of Solids
 4. Statistical Quality Control
 5. Industrial Hydraulics and Pneumatics
 6. MOOCs (NPTEL/Swayam) Course (12 Week duration)
6. Heat Transfer Lab
7. CAE & CAM Lab
8. Measurements & Metrology Lab
9. Mini Project (Design & Fabrication)
10. Research Methodology and IPR (mandatory noncredit course)
11. Honors/Minor courses

Resolved to accept the syllabus proposed for the above Courses of III B.Tech 1st and 2nd Semesters with modifications as suggested by members. **To include the new courses feed back from stake holders is also taken and discussed about the implementation of interships and projects.**

2.2 EXAMINATION MATTERS:

ITEM 2.2.1: To consider and approve the subject panel of examiners for the Question Paper setting.

Considering the point of Preparing the panel of Examiners for the paper setting of each subject of the First and Second semesters of 3rdYear B.Tech in Mechanical Engineering (ME).

Resolved to accept the Board unanimously prepared the panel of Examiners for paper setting. The Head of the Department who is the Chairman of the Board is authorized to submit the same to the Principal in sealed cover for further process.

ITEM 2.2.2: To consider and approve the subject-wise List of Valuers for spot Valuation. Considered the point of preparing the panel of Examiners for evaluation of each subject paper of 1st and 2nd semesters of 3rdyear B.Tech in Mechanical Engineering.

Resolved to accept the Board unanimously prepared a panel of Examiners for evaluation. The Head of the Department who is the Chairman of the Board is authorized to submit the same to the Principal in sealed cover for further process.

Minutes of meeting for Board of Studies held on 27/5/2022

Time: 10.00 A.M

An online meeting is held in the department with the members of Board of studies to finalize and approve the curriculum for regulation NRIA20 for ECE, Pools offered to the students for honors and Minor Courses, Syllabus for III year (NRIA 20 Regulation), Open electives offered to other Departments and new courses introduced.

- 1) Considered and approved the Syllabus for NRIA20 B.Tech program along with professional electives (I and II).
- 2) Considered and approved the syllabus for open electives offered to other departments.
- 3) Considered and approved Honors and minor pools.
- 4) With the suggestion of BoS members new courses such as sensors and Instrumentation (SC), and Internet of Things (SC) are introduced.
- 5) Discussed about suggestions and feedback taken from various stake holders (Alumini, parents, industry, employers, students) regarding framing of the II B.Tech course structure to include internships, projects etc
- 6) Considered and approved the subject wise panel of examiners for paper setting.
- 7) Considered and approved the subject wise list of evaluators for spot valuation.

Prepared and submitted approved syllabus and list of evaluators to the chairman Board of studies and is authorized to submit the same to the principal in sealed cover for further processing.

To
The Members of BoS in Computer Science and Engineering
Respected Sir/Madam,

Sub: Board of Studies Meeting in Computer Science and Engineering, NRI20 – Reg.

Thank you very much for your valuable suggestions during the previous virtual BOS meeting held on July 31, 2021.

In continuation of our previous BOS meeting, I cordially invite you to attend the BOS Meeting in Computer Science and Engineering on May 27, 2022, at 10 a.m., and to contribute your valuable suggestion.

AGENDA

1. To discuss and finalize the IInd Year Autonomous Course Structure for newly introduced B.Tech (CSE - Telugu Medium) program.
2. To discuss and finalize the IInd Year Autonomous Course Structure for newly introduced B.Tech (Artificial Intelligence and Machine Learning) program.
3. To discuss and finalize the IIIrd Year Autonomous Course Structure for B.Tech CSE (DataScience) program.
4. To discuss and finalize the IIIrd Year Autonomous Course Structure for B.Tech CSE (Artificial Intelligence and Machine Learning) program.
5. To discuss and finalize the list of B.Tech Open Electives to be offered by CSE Department.
6. To discuss and finalize the list of Minor and Honor courses.
7. To identify and approve the panel of examiners for the above courses.
8. Any other item with the permission of the Chairman. Kindly make it convenient to attend the meeting.
