

Teacher's Day Celebrations

The teacher's day was celebrated by the students of NRI Institute of Technology in the campus on 6th September 2021 to express their gratitude for the immense contribution put forth by their teachers towards their development. Teachers are the cornerstone of students' future. Teachers mould the lives of the students by guiding them, by enriching their personalities, by imparting ethical and moral values and have more influence on them. This Day is celebrated with great enthusiasm in many parts of the world. This day is dedicated to the teachers with the sense of respect, appreciation, encouragement and support for their devotion to their students.

Dr C Naga Bhaskar Principal revealed the important information related to the teaching staff and the students about an eminent person and a great teacher Dr Sarvapalli Radhakrishnan, a staunch believer of education and a well known diplomat, visionary, statesman, scholar, President of India and above all a perfect Teacher.

Students decorated the college campus with the decorative items on the eve of Teacher's day and the faculties were welcomed warmly. Each of the faculties was given a gift as a token of gratitude to show the acknowledgement and recognition of the hard work put by the teachers towards their development, wishing them a Happy Teachers Day.

ANNUAL DAY CELEBRATIONS

Annual day celebrations were started with flying colours in the NRI Institute of Technology, Pothavarapadu on 12th March 2022. Dr R Venkata Rao Chairman of the NRI Institute of Technology acted as a Chief Guest to the program. The other guests of the program are Principal Dr C Naga Bhaskar, Dr G. Rosaiah Director R&D Cell Dr N V Surendra Babu Director Placement and Training Cell.

Initially the program was started with a prayer song sung by students. After the prayer song, the Principal Dr C Naga Bhaskar presented the Annual Report of the college during the academic year 2021-2022. He expressed the satisfaction on the overall pass percentage of all year engineering graduates. He expressed his thanks to the teaching fraternity for training them towards developing their communication skills and employment skills in the institute.

Dr R Venkat Rao Chairman of NRIIT expressed his happiness towards the meritorious students for achieving good pass percentage in their academics. He congratulated the each and every faculty member for their striving efforts in training the young engineering graduates. Later, he felicitated the faculty members with shawl and boquets.

Dussehara Celebrations

Dussehara celebrations were conducted in the NRI Institute of Technology by remembering the importance of the festival. The chief guest of the event was Dr R Venkata Rao Chairman of NRI Institute of Technology wished that this Dussehara brings devotion, determination and dedication to the lives of the NRI Family.

Principal Dr C Naga Bhaskar gave a special speech on the festival. Dussehra is a big festival celebrated by the people of the Hindu religion and is considered one of the big festivals. Throughout the country, people celebrate Dussehra with great enthusiasm and dedication. Everyone eagerly waits for this festival. In some regions of India, Dussehra is also known as Vijayadashmi.

This festival has one teaching, or we can say that this festival is all about the 'victory of good over evil'. This festival has its importance and signifies the victory of the power of good over the power of evil. The primary outcome of this festival is every time truth wins over lies, good wins over evil, and light win over dark. Therefore, people's beliefs on this festival may differ, but they celebrate it with the same essence throughout the country.

Later, meals were provided to the teaching and non teaching staff.

Engineer's Day Celebrations

Engineers' Day is celebrated on 15th September 2022 commemorating the birthday of one of the greatest engineers in India and Bharat Ratna recipient, Sir Mokshagundam Visvesvarayyagaru, recognizing his contributions in harnessing water resources in India. He had successfully designed and constructed several river dams, bridges and revolutionized the irrigation system all over India. The main objective of the event was to encourage self evaluation, motivation, effective communication, team building among the students.

Dr C Naga Bhaskar, Principal NRI Institute of Technology addressed the students and advised them to take Dr M Visvesvarayyagaru as their role model, be confident in their mission and sharpen their skills to meet the global industrial demands.

Dr G Rosaiah, Director R&D, NRIIT encouraged the students to broaden their perspective and enhance their skills to be successful.

SUCCESS MEET IN NRI INSTITUTE OF TECHNOLOGY AGIRIPALLI

Success Meet 2022 was conducted in NRI Institute of Technology under the placement department headed by Dr N V Surendra Babu. The meet was exclusively conducted to Final year engineering students those who secured employment in 62 Multi National Companies like TCS, WIPRO, INFOSYS, IBM, CAPE GEMINI and E CENCHER. Training and Placement Director Dr N V Surendra Babu presented the annual report that totally 946 students secured job position per annum 3.5 lakhs to 10 lakhs in the current year from the institute.

Principal Dr C Naga Bahaskar highlighted the vision of the institute with his invaluable message; “since the inception of the institute the motto is to train the young and engineering aspirants to gain the repertoire in job securing skills and in turn to make them professionals in the present scenario.”

Later, Research & Development Cell Director Dr G Rosaiah felicitated the parents of the students who secured jobs in the campus placement interviews. He conveyed the message that it is an unforgettable moment in the lives of the students and their parents to participate in the success meet celebrations.

In the end of the session, the students gave their suggestions, preparatory techniques and road map regarding how they secured jobs in the placement drive to the junior students in the institute.

suNRISE 2022 Report

suNRISE 2022 was conducted in the NRI Institute of Technology with a momentous and cheerful manner. The chief guests of the fest were Dr R Venkata Rao Chairman and Dr C Naga Bhaskar Principal inaugurated with the lightening of the lamp. The event was conducted on 11th March 2022 in the campus. It is a national level fest. Invitations to participate in various literary and academic activities were sent to the students throughout the engineering colleges which are located in Andhra Pradesh.

Students from outside of the engineering colleges and the students from NRI Institute of Technology were participated in paper presentations, poster presentations, technical quiz and various events. Another noticing point in the fest was identifying talent in Young Manager Event conducted by the department of Commerce and Management. In this event management students from throughout Andhra Pradesh showcased their presentation on the techniques of marketing and finance.

Engineering students from various colleges presented working models of electrical and electronics field. Students from Computer Science and Information Technology exhibited their coding skills in blind coding event conducted by the departments. Students from Mechanical Engineering and Civil Engineering participated in Technical Sudoku and working models. Later, prizes were distributed to the students regarding their technical paper presentations and technical quizzes.

In the literary events students actively participated in group discussions and elocution events. These events stimulated and reinforced the presentation skills of the engineering students from various colleges.

Women's Day Celebrations

Women's Day celebrations were conducted in the conference hall on 8th March 2022 on the topic ***"Will you help break the bias"***. The chief guest of the event was Dr R Venkata Rao Chairman of the NRI Institute of Technology. In the inaugural speech he emphasized the importance of women; especially the role of women is noteworthy in the present competitive world. Women are playing a crucial role in all the sectors. They are the torch bearers of the present society.

Dr C Naga Bhaskar, Principal proclaimed in his speech about the importance of women. Since the dawn of the world, woman is treated as a divine incarnation by God. God himself created women in the image of mother. So, it is the right of every woman to protect themselves from any kind of downtrodden attitude and harassment in the society.

Dr. G Rosaiah Director Research and Development gave a speech on the protection of women and security. He insisted that every girl student in the college has to register their details in the DISA App (i.e. which is introduced by State Government of India) in order to protect from any kind of harassment and problem from the ruffians.

In the afternoon session, girl students and lady faculty participated in a rally by taking placards and banners of Women's Day in the college campus. The lady faculty members actively participated in the rally and they spoke about the role of the women and their achievements are unforgettable in the present scenario.
