## SUNRISE – 2K22 A NATIONAL LEVEL TECHNICAL FEST 11<sup>th</sup> March, 2022

To

Director/Principal/HOD  
Dear Sir/Madam,  
Greetings.....

It is an immense joy to bring to your notice that, NRI Institute of Technology Pothavarappadu, Agiripalli (M), Vijayawada is organizing SUNRISE – 2K22, A One Day National Level Technical FEST on 11<sup>th</sup> March, 2022.

The fest is aimed at providing a national level platform for all the enthusiastic students who can prove their mettle in many a Technical event.

We are happy to inform you that, it is a one-day technical fantasia, in which nearly 25 events are planned. Apart from the Technical events, a GRAND FETE is also arranged to refresh the young minds from academics.

As a part of promoting our event, please permit our student organizers to enlighten your students about SUNRISE – 2K22, and to provide complete details about the events.

Kindly arrange to display the posters at prominent places/circulate the posters among your students appropriately.

We hope your support and encouragement will contribute towards the success of this FEST. Looking forward for an excellent response from your side.

With Regards,

Mrs. Yalamanchili Arpitha  
Organizing Convener

Dr. M. Chaitanya Kishore Reddy  
Organizing Convener

  
Dr. C. Naga Bhaskar  
Principal

<b>Total Students Participated</b>			<b>2566</b>

### Report in brief by Organizer/Coordinator/Convener

NRI institute of technology takes privilege in hosting national level technical fest every academic year to create a platform for aspirants from various engineering colleges, with a very high competitive spirit and strong determination to participate, gain knowledge, learn diverse cultures, make new friends and reach their goals.

These fests are organized every year with the objective to provide platform to showcase their talent and skills with a competitive spirit. The event was successful enough to attract as many as 2566 registrations in and around for a one-day **National level Technical fest** which includes all the events. Students actively participated in all the events and presented their work.

A total of 15 events are planned and organized at its best of quality in the fest. The events to be included in the fest are decided by the respective departments keeping in view the emerging technologies and need to grab interest of the students into consideration with little emphasis on
