POLICY ON FINANCIAL ASSISTANCE TO FACULTY

NRIIT provides financial support to faculty members for attending conferences, workshops and for membership fees of professional bodies. The aim is to facilitate professional development, foster networking opportunities, and promote the overall gain and visibility of the institution.

Conference, FDPs and Workshop Attendance : The financial assistance is provided to cover expenses such as registration fees, travel, accommodation, and daily subsistence allowance during the conference period.

Professional Body Membership Fees : The membership fees are reimbursed for faculty who are affiliated with recognized professional bodies or associations in their respective disciplines. This is to encourage faculty engage in professional communities and to stay updated with the latest developments and practices in their fields.

Budget Allocation : A specific budget is allocated every academic year for faculty development and research activities, including support for attending conferences, workshops, and covering membership fees. The allocation of funds is often based on priorities and overall strategic goals.

Application and Approval Process : The institution has an application and approval process that requires faculty members to submit requests for financial support, providing details such as the purpose of the conference or workshop, how it aligns with their research or teaching and the potential benefits to the institution and the faculty member's professional growth.

Policy Review and Updates: The institution reviews the policy on financial support and ensures that it is in line with current trends and best practices in the academic community. These review is includes the feedback from members to assess the effectiveness of the existing policy to make necessary updates or amendments.
