Notification

Notification regarding Entrepreneurship Promotion and Incubation Centre (EPIC) Innovation & Startup Policy – 2022; in line with National Innovation and Startup Policy 2019 for students and faculty of Higher Education Institutions (HEIs).

National Innovation and Startup Policy 2019 for students and faculty of Higher Education Institutions (HEIs) will enable the institutes to actively engage students, faculties and staff in innovation and entrepreneurship related activities. This framework will also facilitate Ministry of Human Resource Development in bringing uniformity across HEIs in terms of Intellectual Property ownership management, technology licensing and institutional Startup policy, thus enabling creation of a robust innovation and Start up ecosystem across all HEIs.

In context to the NISP-2019, an Eleven-member committee was constituted in NRIIT as Entrepreneurship Promotion and Incubation Centre (EPIC) (here after represented by NRI-EPIC) to formulate detailed guidelines for various aspects related to innovation, Startup and entrepreneurship management. This committee deliberated on various facets for nurturing the Innovation and Startup culture in NRIIT, which covered Intellectual Property ownership, revenue sharing mechanisms, norms for technology transfer and commercialization, equity sharing, etc. After multiple rounds of meetings, NRIIT Innovation and Startup Policy was prepared for students and faculties.

In this context Entrepreneurship Promotion and Incubation Centre (EPIC) Innovation & Startup Policy – 2022; in line with National Innovation and Startup Policy 2019 for students and faculty of Higher Education Institutions (HEIs) is formulated for NRI Institute of Technology.
