# ALUMNI DETAILS

## **ALUMNI ASSOCIATION OF NRIIT**

The NRIIT is truly proud of its brilliant alumni who are currently positioned all over the globe and have distinguished themselves in all spheres of high-end engineering and technology.

The main aim of the Alumni Association NRIIT is to coordinate the networking of all the NRIIT alumni and to create a single global NRIIT community. The Alumni Association NRIIT is an official unit of the Institute with the primary objective of facilitating the pleasant and friendly interface to all the NRIIT alumni/alumnae and creating a single semantic web of NRIIT fraternity.

The Alumni Association NRIIT is a registered society with the objective of enrolling all alumni/alumnae as members of the association and facilitating active participation of the alumni/alumnae in appropriate activities, events, and initiatives of the Institute.

### **Introduction**

"Alumni" is a generic term that describes all those who have spent time studying at a particular institution. It is a lifetime relationship with continued interest, interaction and involvement with one's Alma mater. Alumni stand strong to prove the success of the college, and its efforts.

Alumni association of NRIIT was started in the year 2012. It was started with a motive of bringing together all the Alumni and share their experiences they faced outside the college and also extend their helping hands from all aspects for the budding engineers of the college. NRIIT Alumni association organizes various technical seminars / guest lectures, motivates and guides students for their academic improvement

A database for the alumni has been created, which will be constantly upgraded. This effort was initiated with the view to keep alive, the interaction between the alumni, so that, the alumni may, learn the where about of their batch mates, benefit from the placement cell, where in vacancies and opportunities may be put to use. This also helps in identifying potential

among alumni who may, if willing, contribute useful service to the institute. The alumni association thus acts as a platform to share views and experience, on common interests.

## **Objectives**

1. To bring together all the old students and the faculty of NRIIT to share their experiences with each other.
2. To maintain and update the data base of all the alumni of the college and to interact with them.
3. To utilize the rich experiences of old students of the college for the benefit and progress of the present students.
4. To provide guidance to the young engineers in their endeavor for better employment and higher studies.
5. To promote the campus placements through the old students working in reputed industries in India and abroad.
6. To get the valuable advices of the Alumni in the overall development of the college.
7. To arrange seminars, debates, workshops on Science and Technology and also to arrange cultural and social welfare programs.
8. To provide financial assistance to the needed alumni members pursuing higher studies based on merit and means.
9. To arrange donations to the poor students either by way of cash or kind for their education purpose.
10. To maintain libraries, reading rooms, lecture halls, training centers etc. useful to the members of the Association.
11. To arrange teaching and training classes to the students studying in the college and also to the members to upgrade technical and general skills.
12. To gather and maintain database of employment information and to assist the members in securing suitable jobs.
13. To maintain website, publish periodical magazines or bulletins with valuable information useful to the members and students.
14. To involve the members in the overall development of the college and the Society.
