## **ACADEMIC AND ADMINISTRATIVE AUDIT (AAA) REPORT 2024-2025**

## **VISION**

To produce Professionally Excellent, Knowledgeable, Globally Competitive and Socially responsible Engineers and Entrepreneurs.

## **MISSION**

M1: Providing quality education through state-of-art Infrastructure, Laboratories, and Committed Staff.

M2: Establishing a continuous Industry-Institute Interaction, Participation and Collaboration to contribute Skilled Engineers.

M3: Involving Faculty members and Students in Research and Development to become globally competitive and for the betterment of society.

M4: Developing Human values, Social values, Entrepreneurship skills and Professional Ethics among the Technocrats.

## **QUALITY POLICY**

NRIIT is committed to meet the needs of all its Stakeholders, continually improving the effectiveness of Quality Management System (QMS) by imparting quality education to students and to train faculty in the field of Technical Education for achieving international recognition. Utmost care is taken to maintain all types of Accreditations.

### **1. About the Institute**

NRI Institute of Technology (NRIIT) was founded in 2008 by Sri Durga Malleswari Educational Society headed by Dr. R. Venkata Rao at Pothavarappadu village, Agiripalli Mandal, Krishna District, Andhra Pradesh.

It is spread across a vast area of 20 acres surrounded by lush greenery of mango groves representing a pleasant environment. The incredible aspect of NRIIT is the state-of-the-art infrastructure provided for both students and faculty in the rural area. The buildings of NRIIT are adorned with fully enhanced and equipped laboratories utilizing the built area for academic activities, hostels and canteens.

The institute is approved by the All India Council for Technical Education (AICTE), New Delhi, permitted by the Government of A.P., and is permanently affiliated to Jawaharlal Nehru Technological University, Kakinada (JNTUK), Andhra Pradesh and received the Autonomous status in the year 2018.

The institution had gone for the Second Cycle of NAAC accreditation in the year 2024 and

was rated as 'A' grade with CGPA of 3.18.

The institute offers various undergraduate, postgraduate and research programs in Engineering and MBA. Five Programs namely ECE, CSE, EEE, IT & ME are NBA accredited. The college is an ISO 9001: 2015 certified.

## **1. Academic and Administrative Audit (AAA)**

The Auditing intends to monitor and enhance the quality of education through proper guidelines for both teaching faculty and students, so as to ensure qualified engineers/researchers pass out from NRIIT. For proper functioning of academics in NRIIT and to quantify the efforts dispensed by the faculty and students, some assessment components have been designed which include the assessment of course delivery, as per the curriculum, co-curricular and extra-curricular activities of students, and the academic functioning of the Institution, delivery of the duties and responsibilities of faculty members and monitoring of the class, progress of courses, internal assessment, student welfare, and grievances.

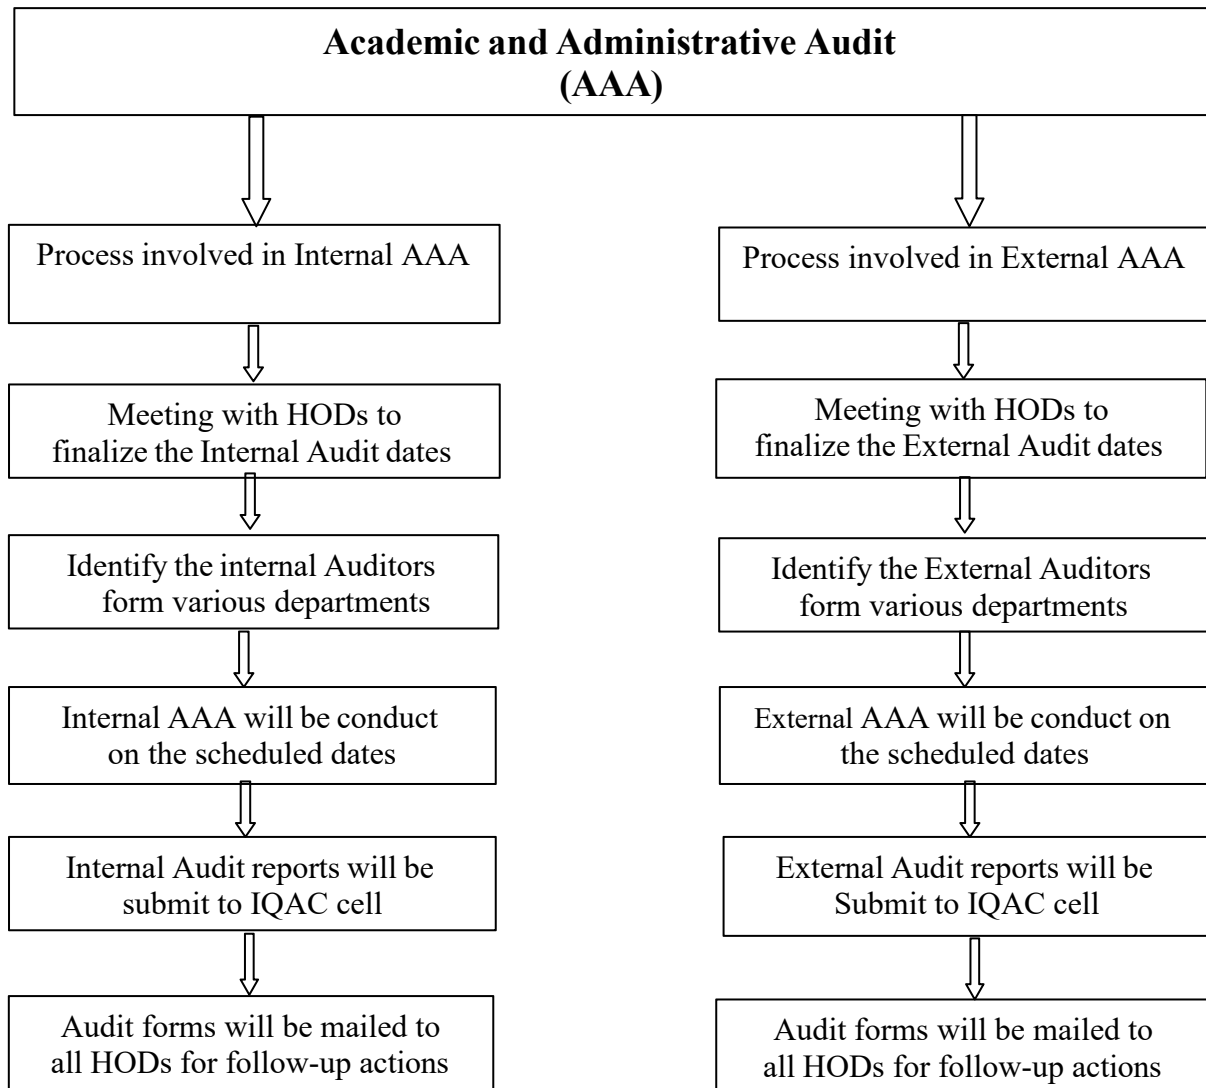

As per National Assessment and Accreditation Council (NAAC) guidelines to undertake continuous Academic and Administrative Audits (AAA) with the existing system and assess the strengths and weaknesses of all the Departments and Administrative Units, Internal Quality Assurance Cell (IQAC) conducts Audits both internally and externally through International Organization for Standardization (ISO) of the Institution and suggest the methods for Quality Enhancement.

The review process is usually carried out by internal committee members and the external academicians. As a part of the audit process, the Internal Quality Assurance Cell (IQAC) has structured a proforma for the evaluation based on the criteria specified by NAAC. The criteria-wise evaluation of the department includes:

1. Curricular Aspects
2. Teaching-Learning and Evaluation
3. Research, Innovations, and Extension
4. Infrastructure and Learning Resources
5. Student Support and Progression
6. Governance, Leadership, and Management
7. Institutional values and best practices

**Process Involved:**

Two Internal audits and one external Academic Audit will be conducted in every year. The process involved in Academic and Administrative Audit is shown below:
